

Cajal-Rezius cell

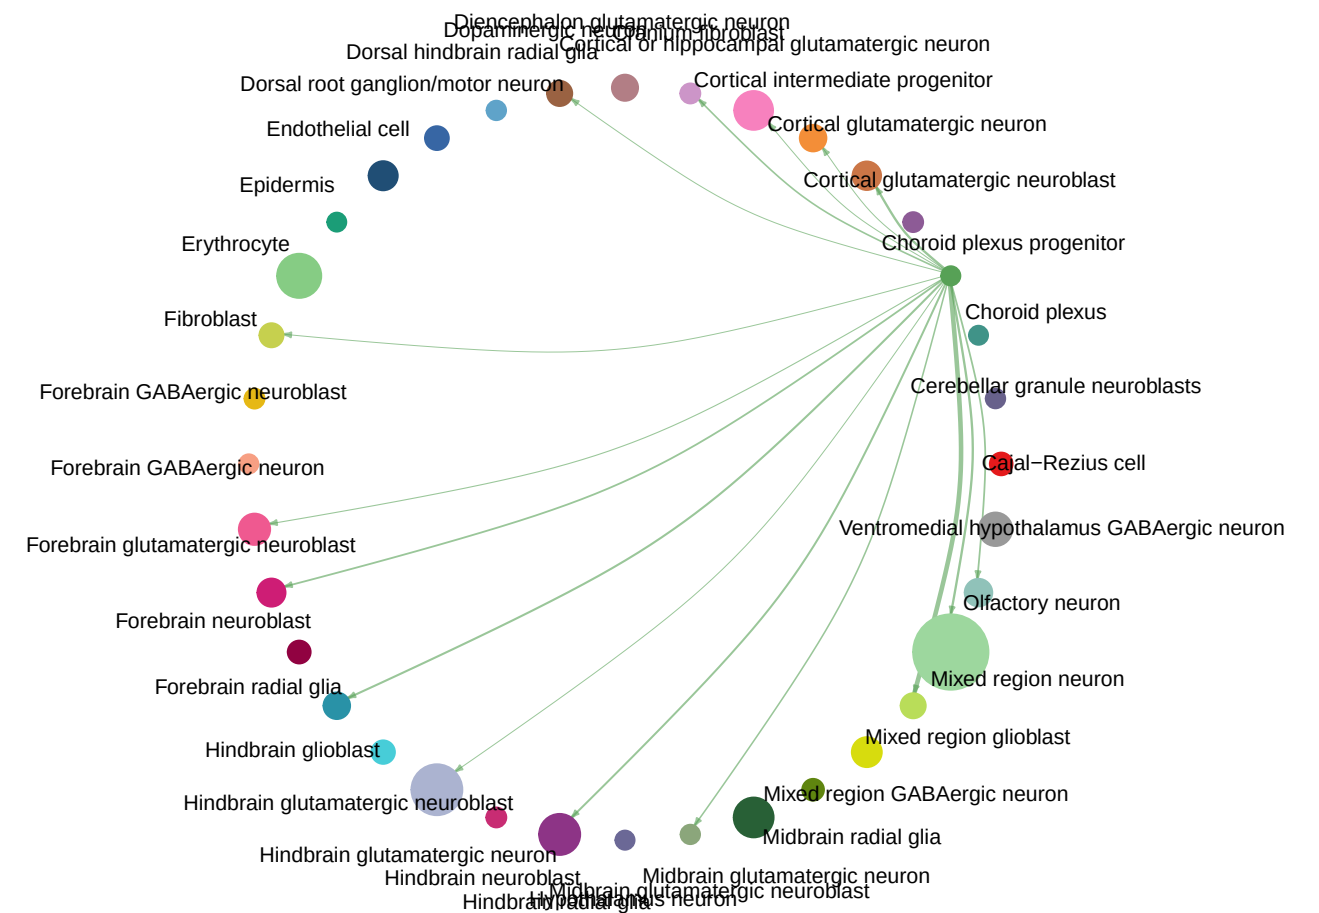

Cerebellar granule neuroblasts

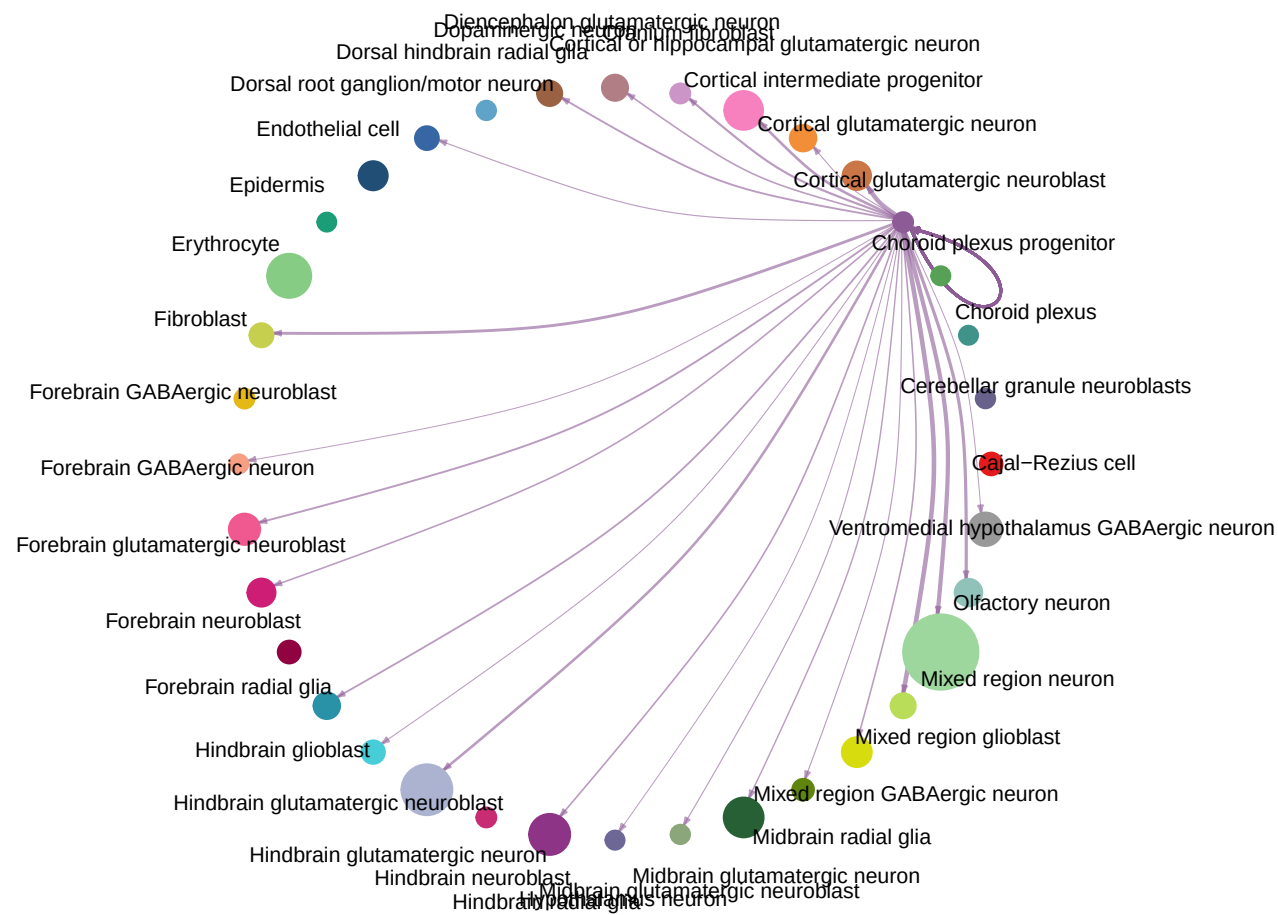

Choroid plexus

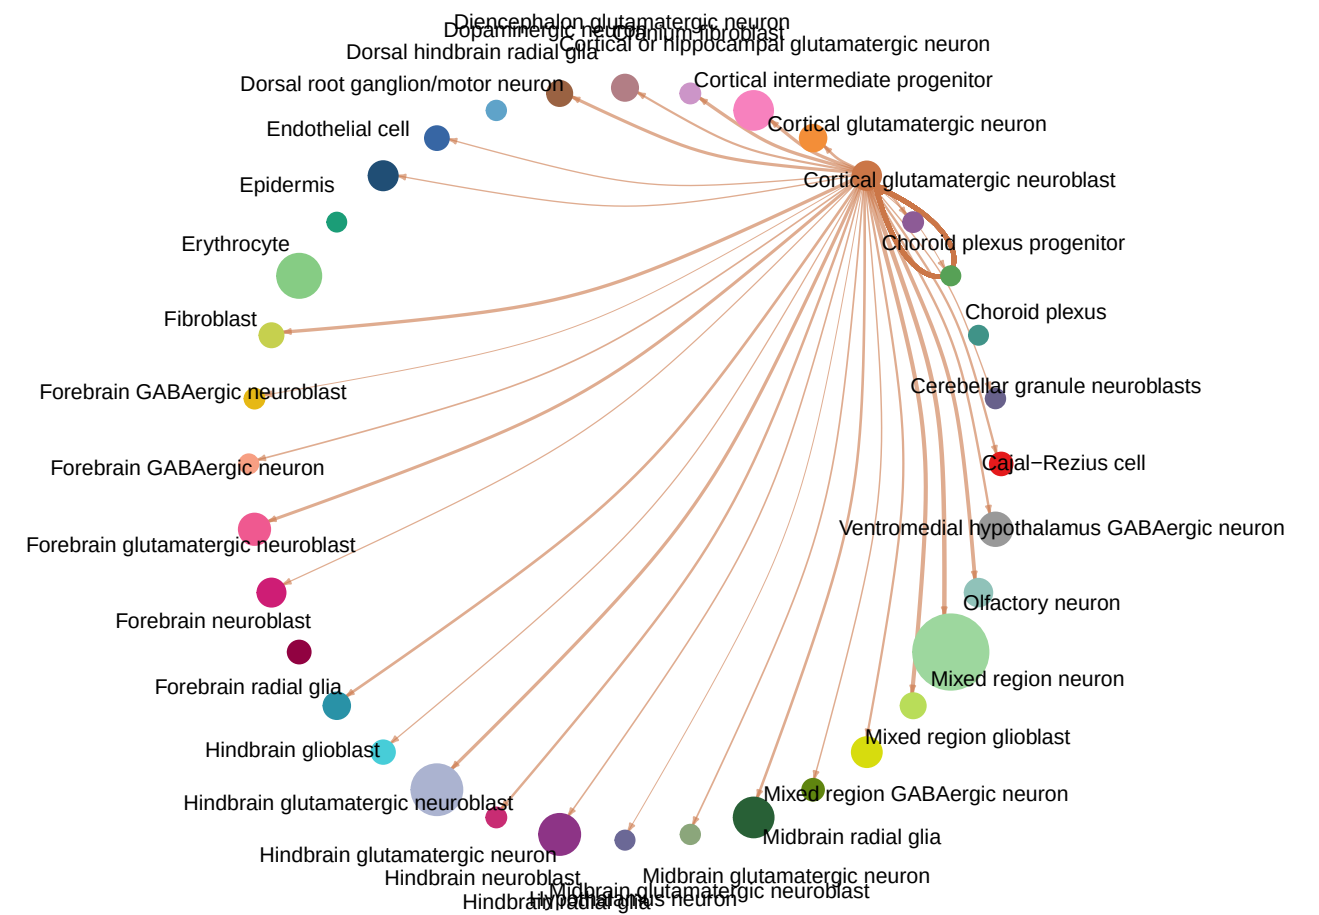

Choroid plexus progenitor

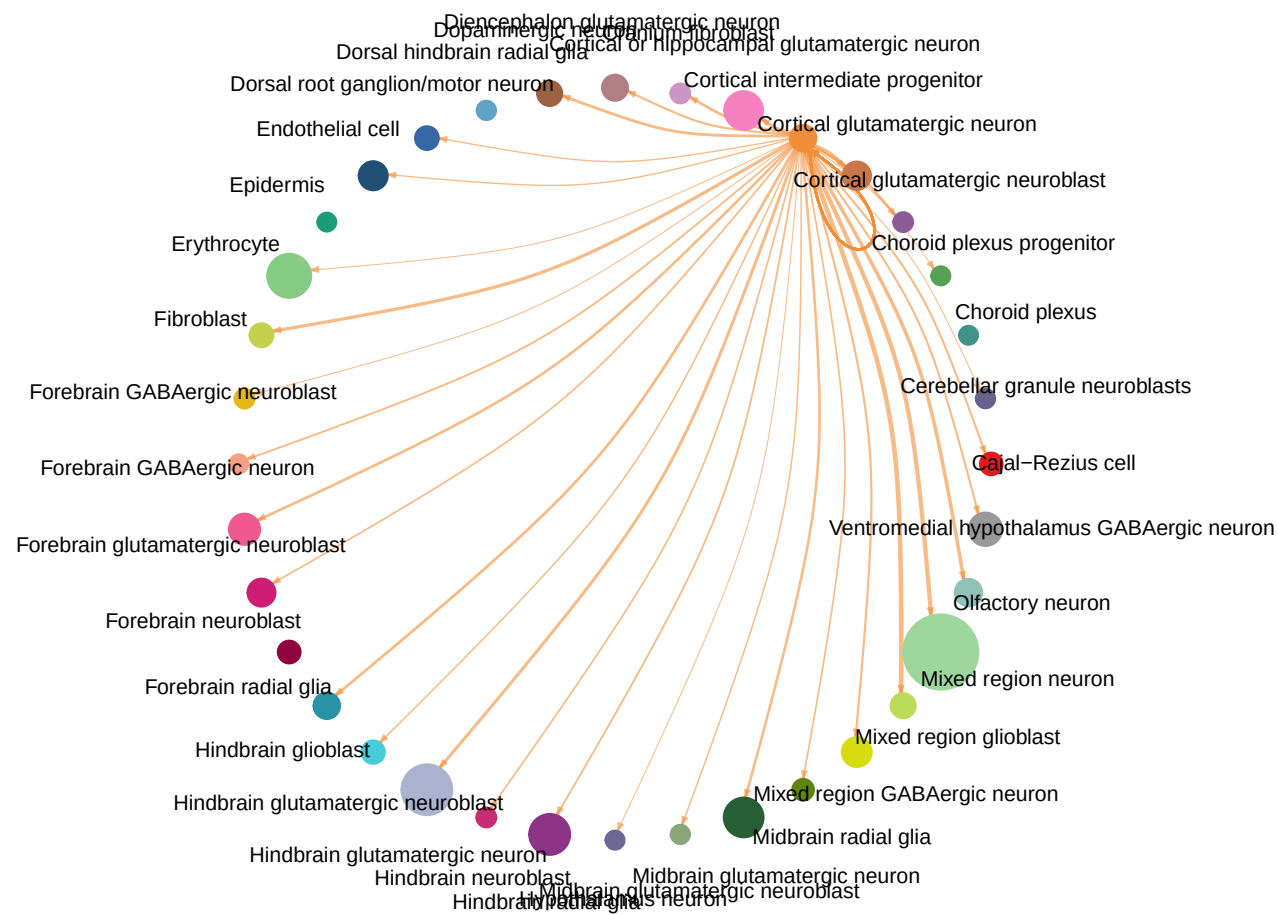

Cortical glutamatergic neuroblast

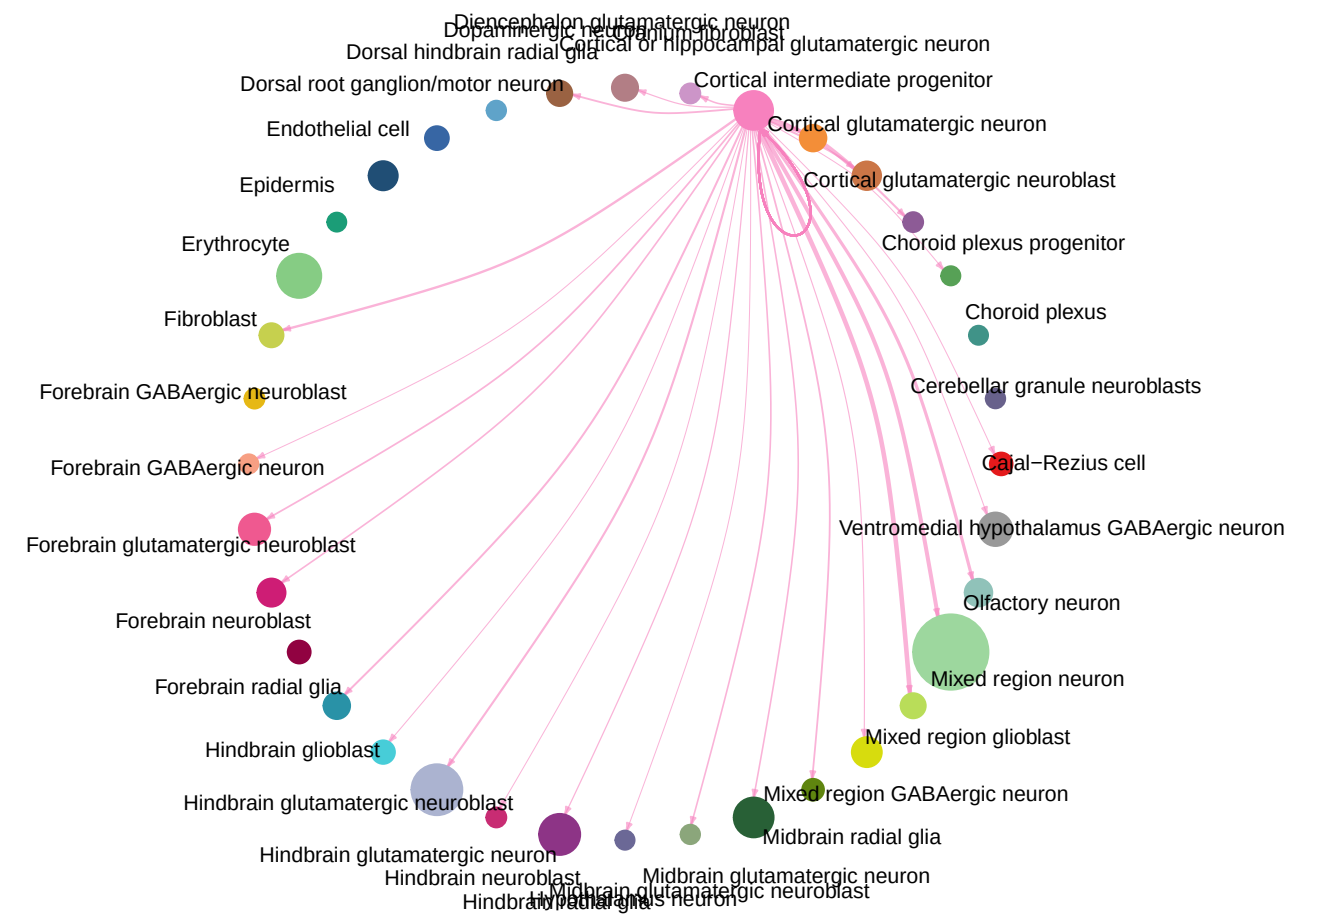

Cortical glutamatergic neuron

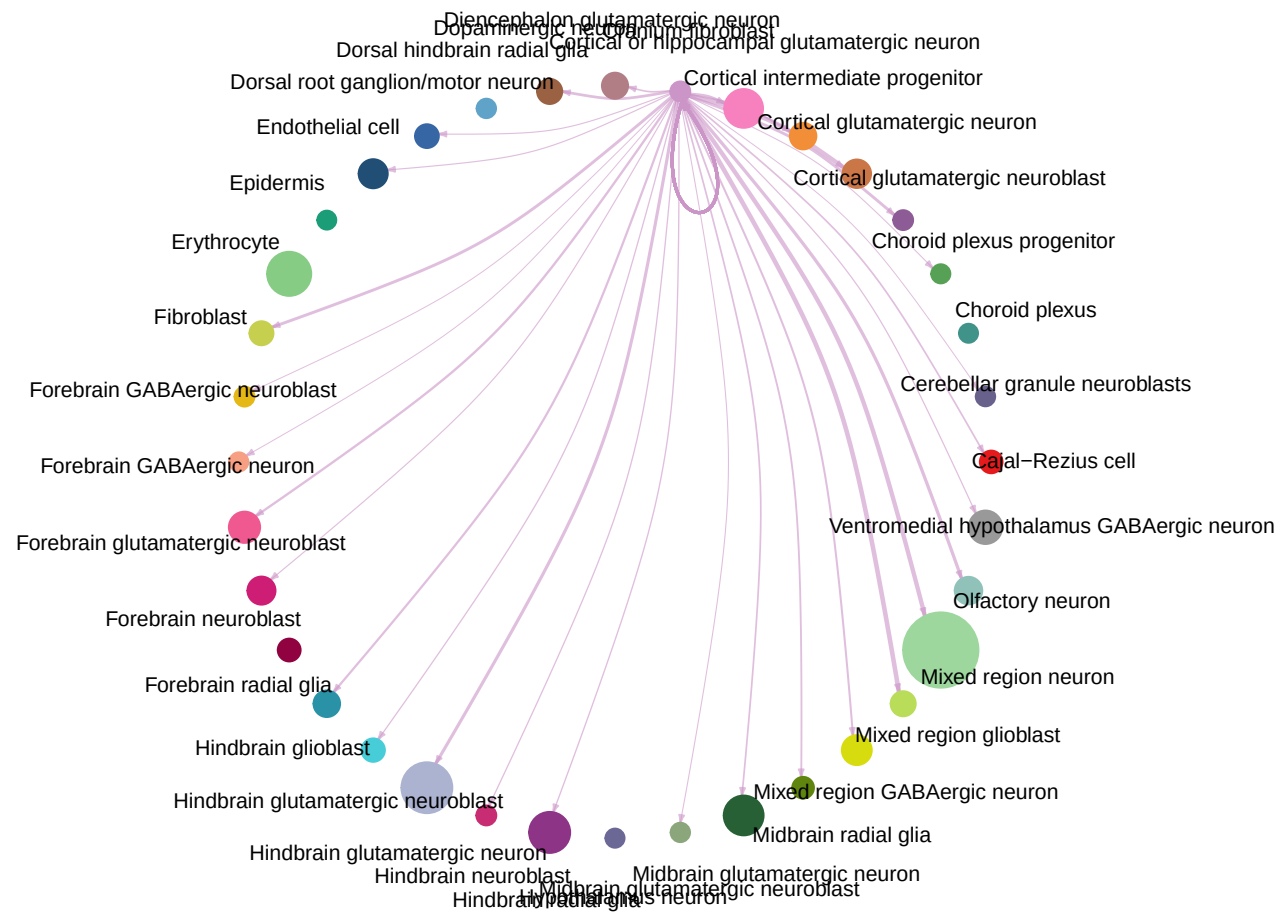

Cortical intermediate progenitor

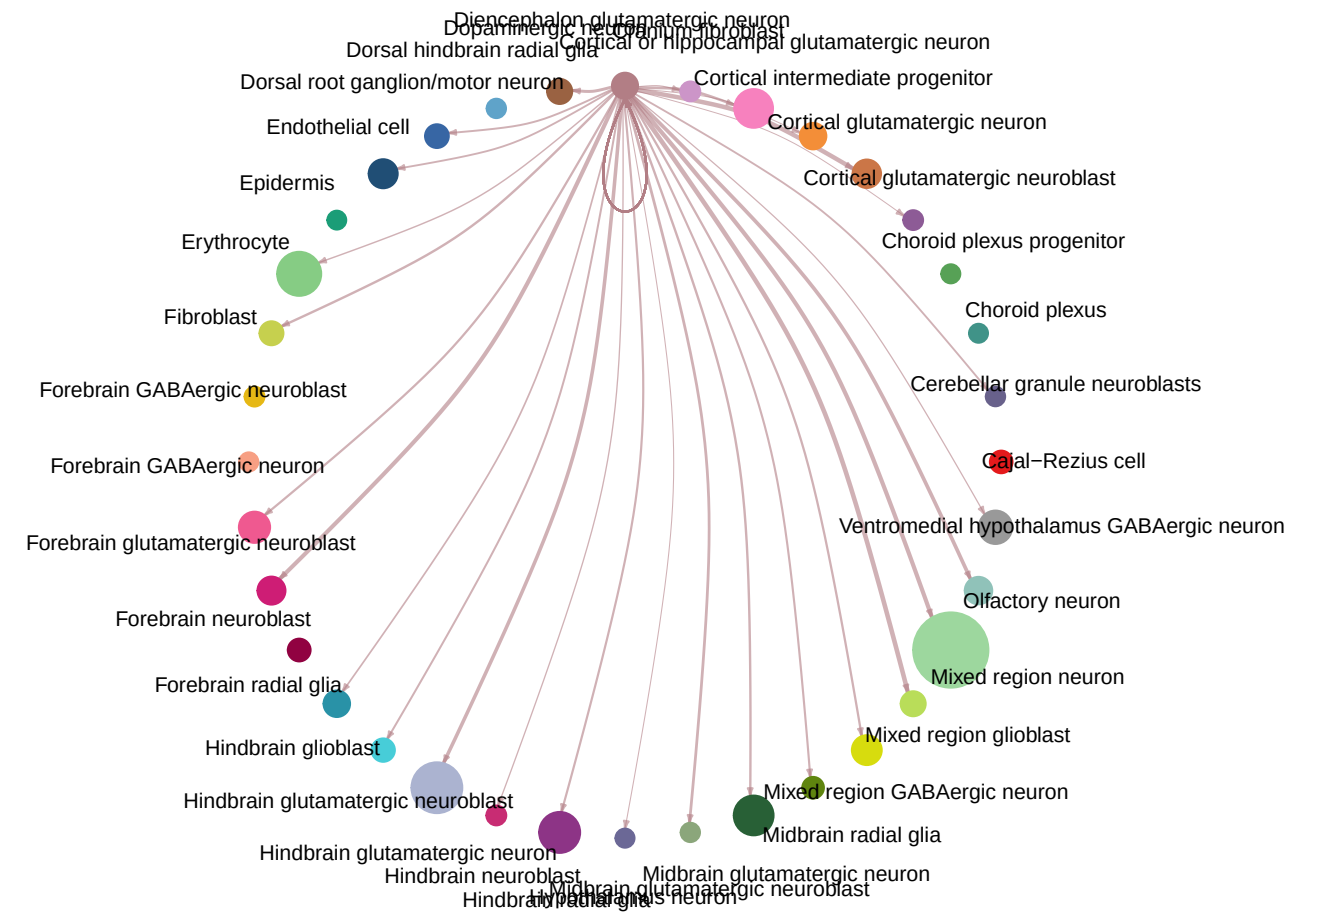

Cortical or hippocampal glutamatergic neuron

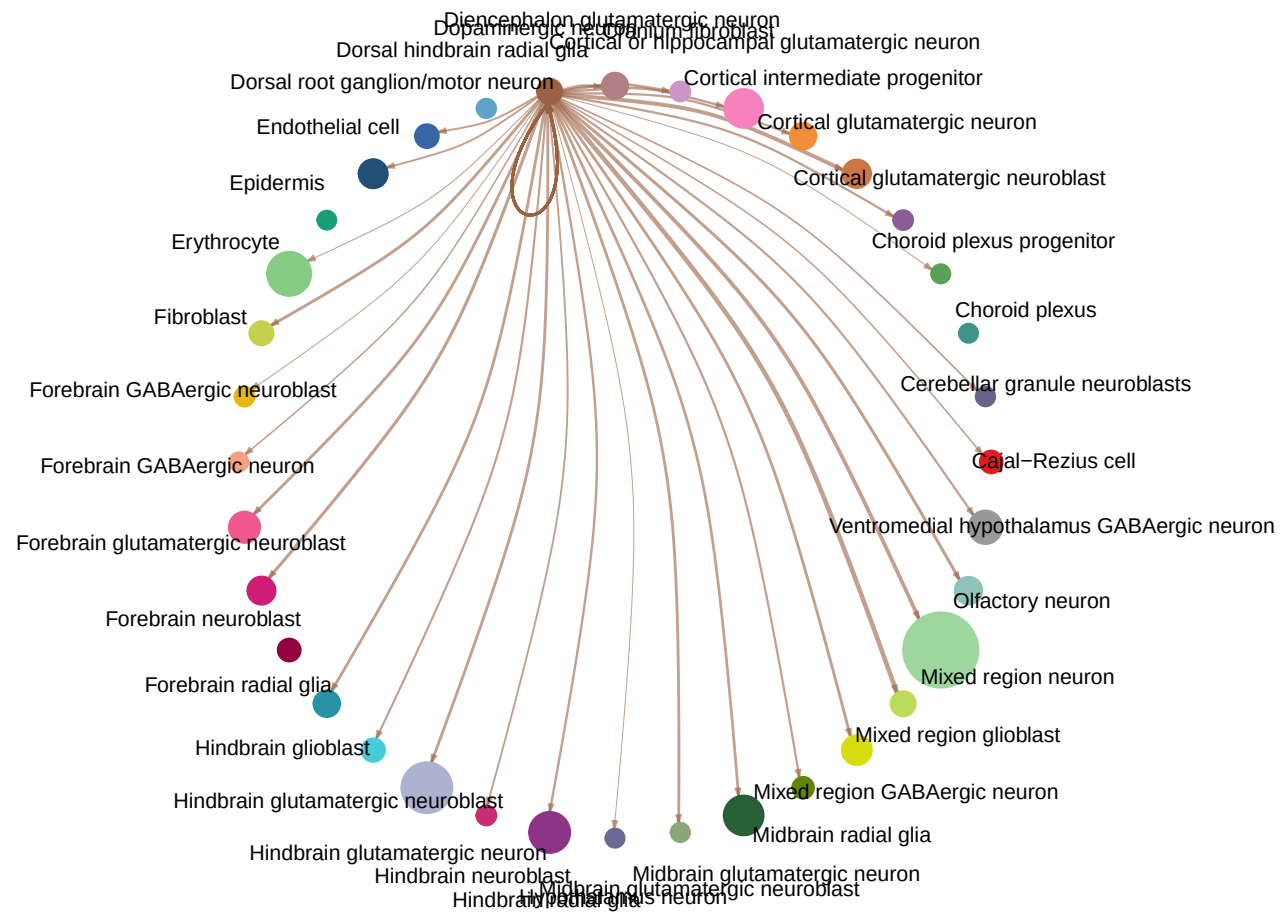

Cranium fibroblast

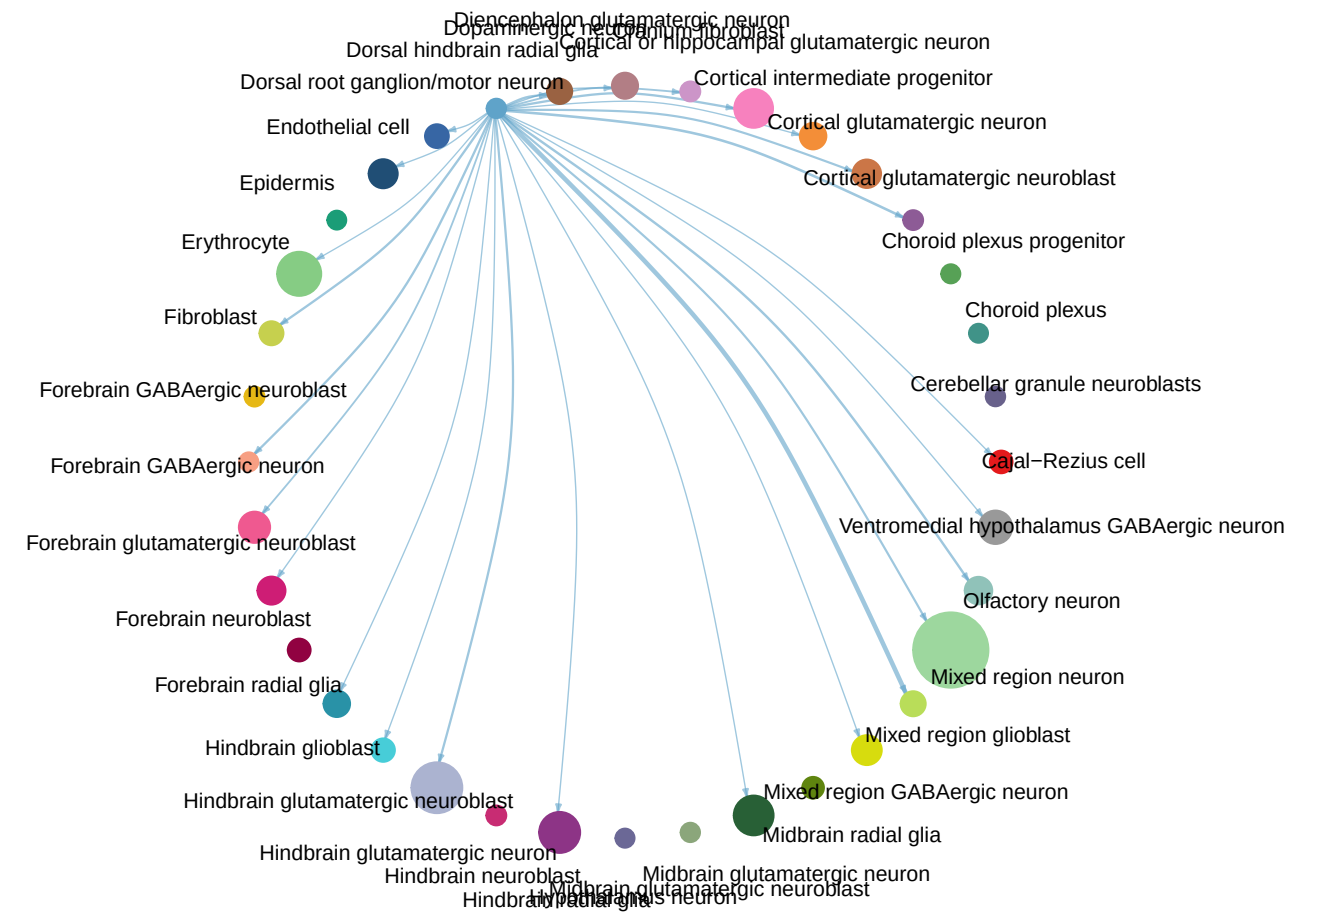

Diencephalon glutamatergic neuron

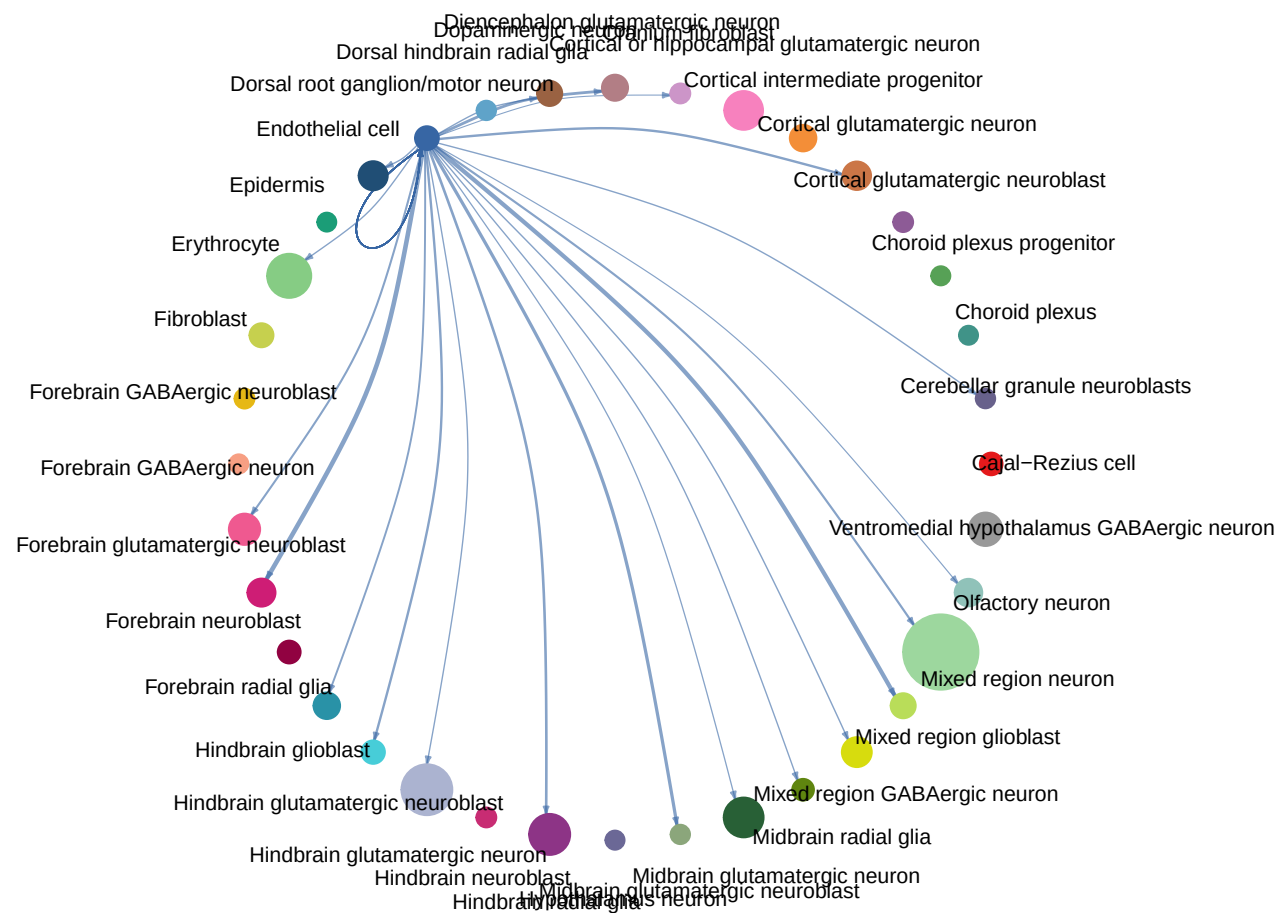

Dopaminergic neuron

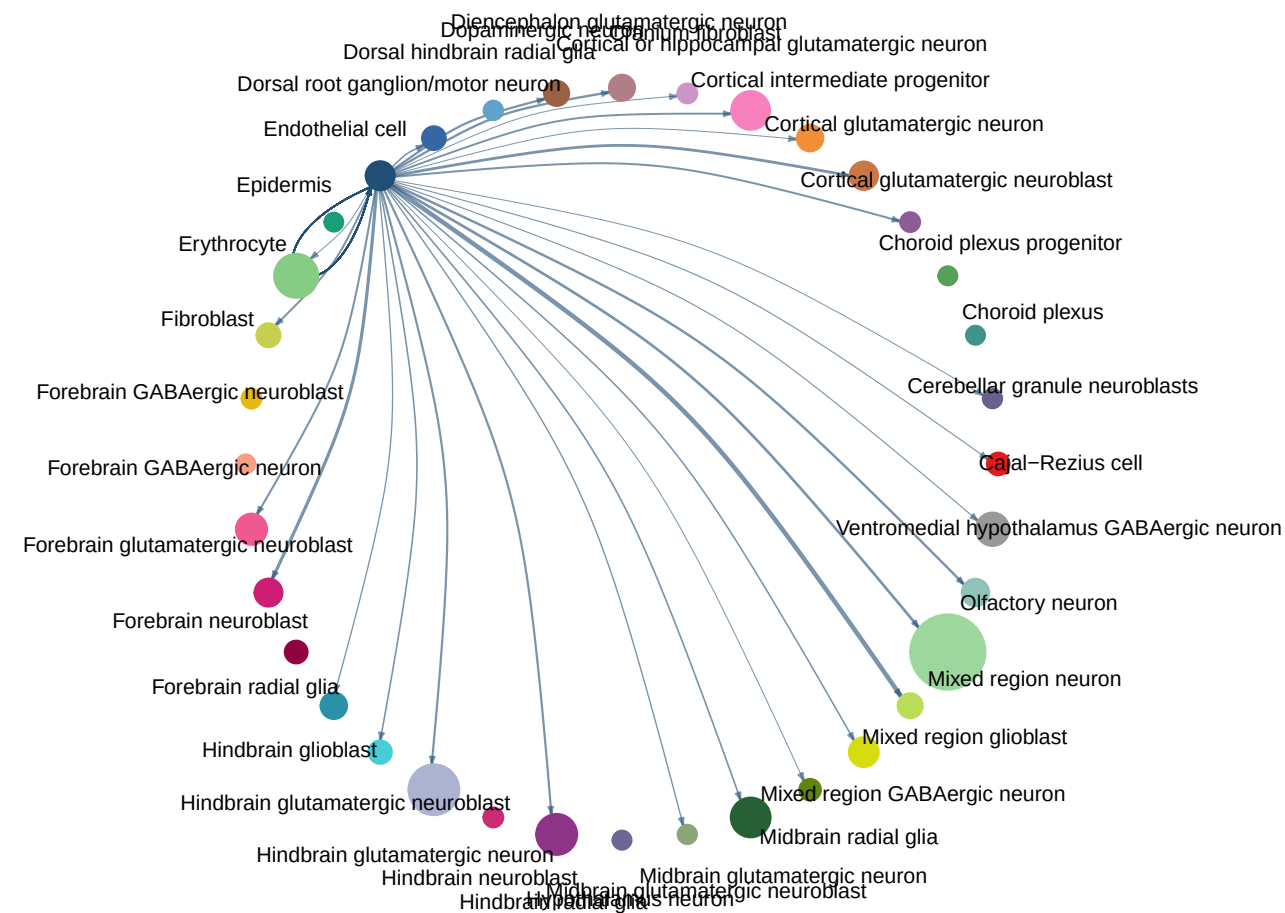

Dorsal hindbrain radial glia

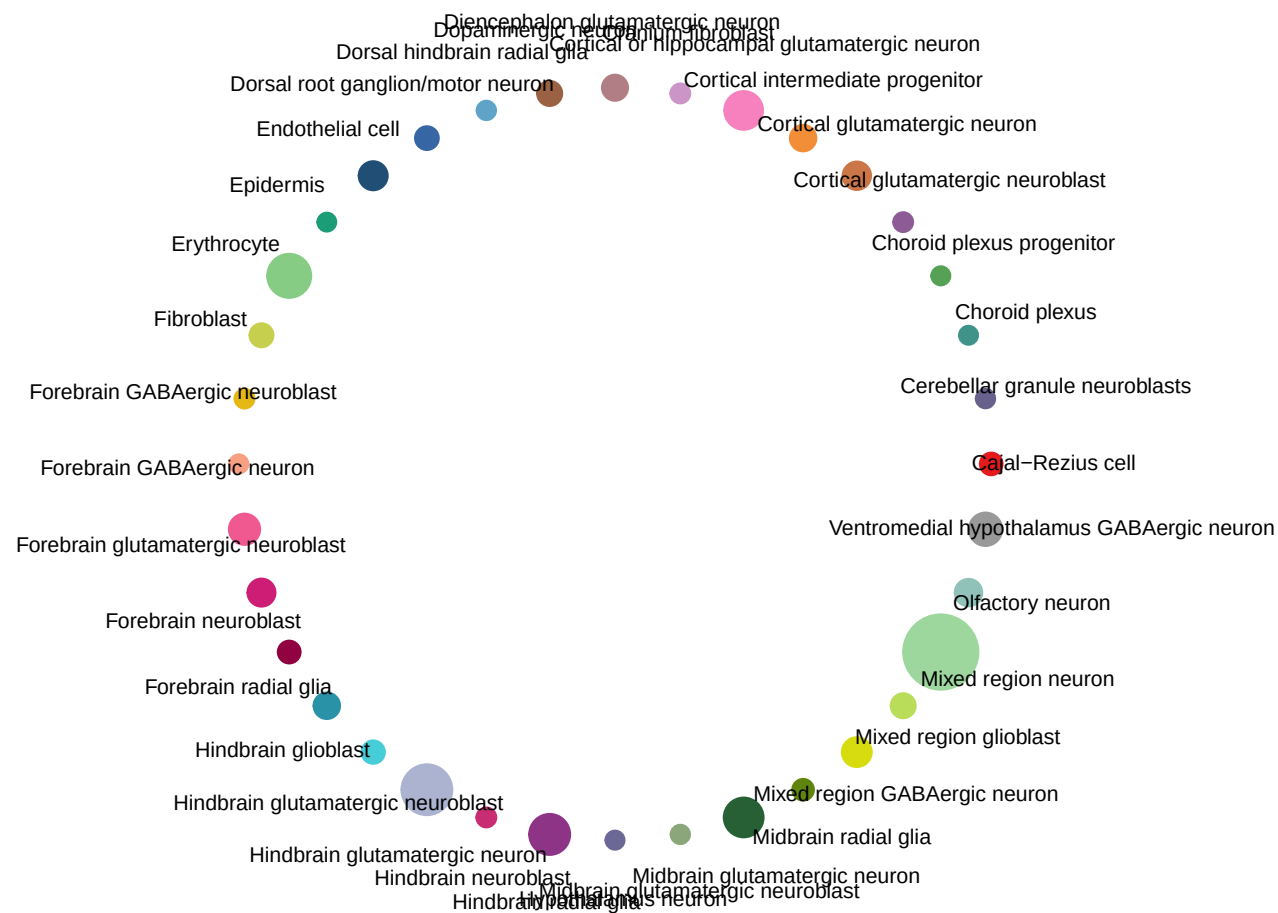

Dorsal root ganglion/motor neuron

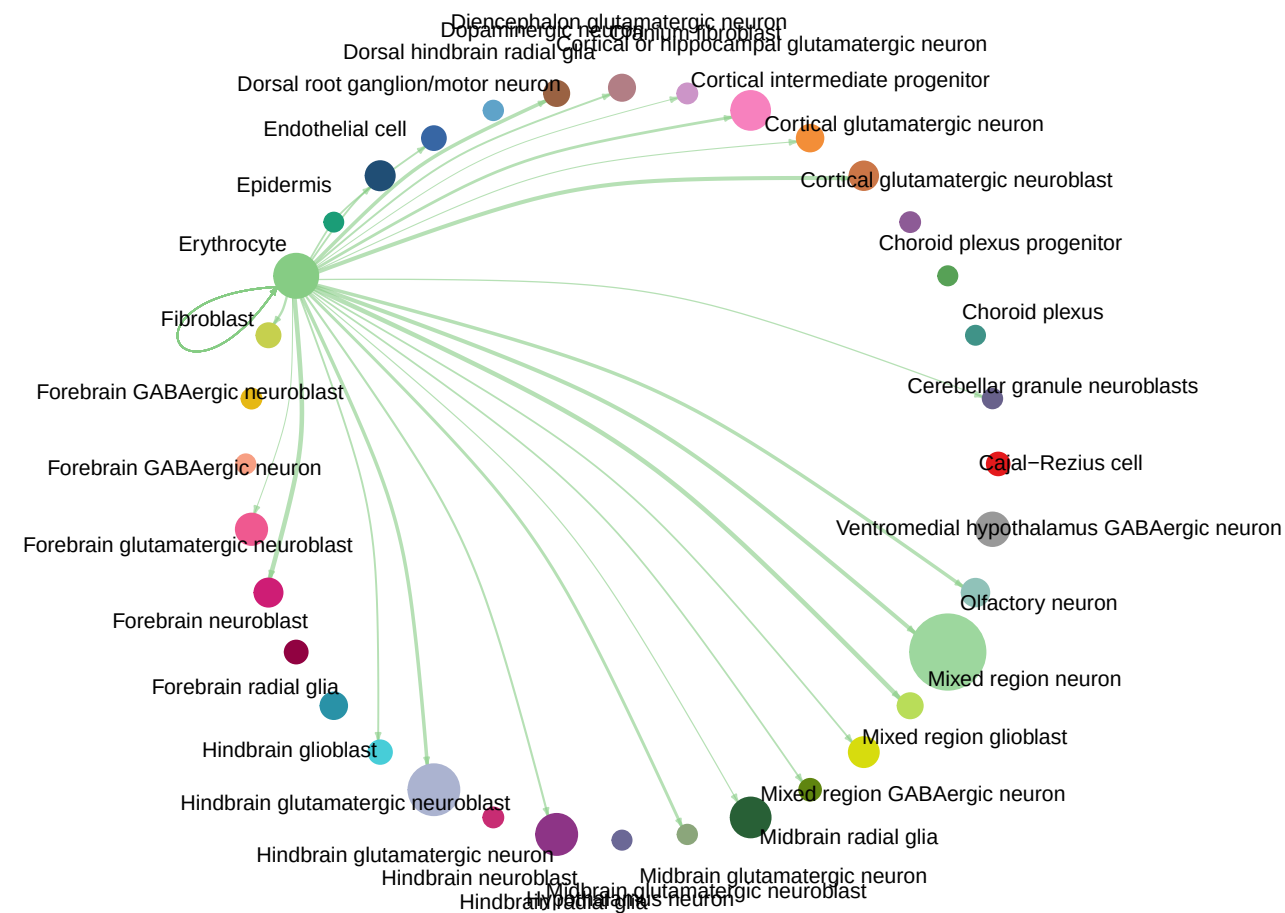

Endothelial cell

Epidermis

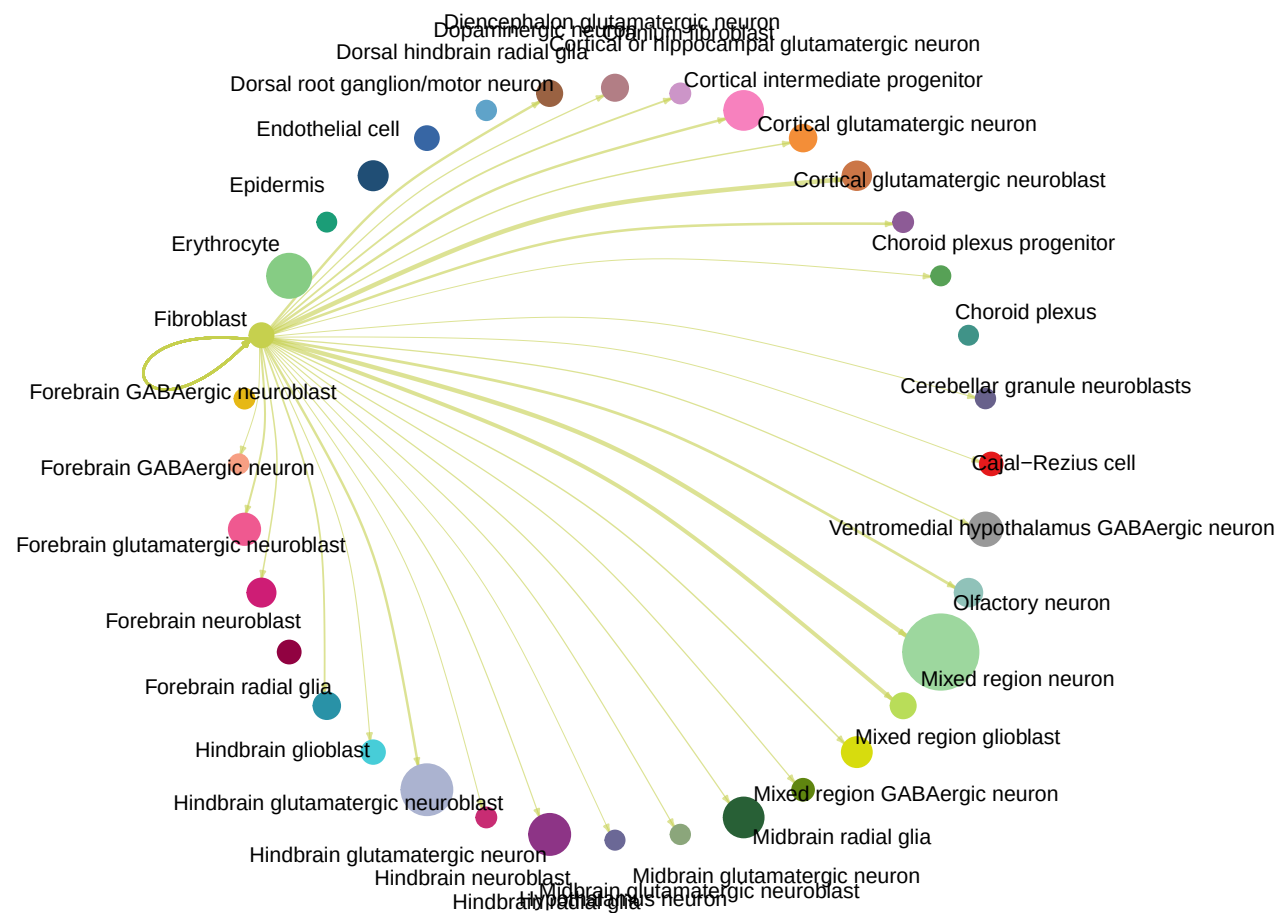

Erythrocyte

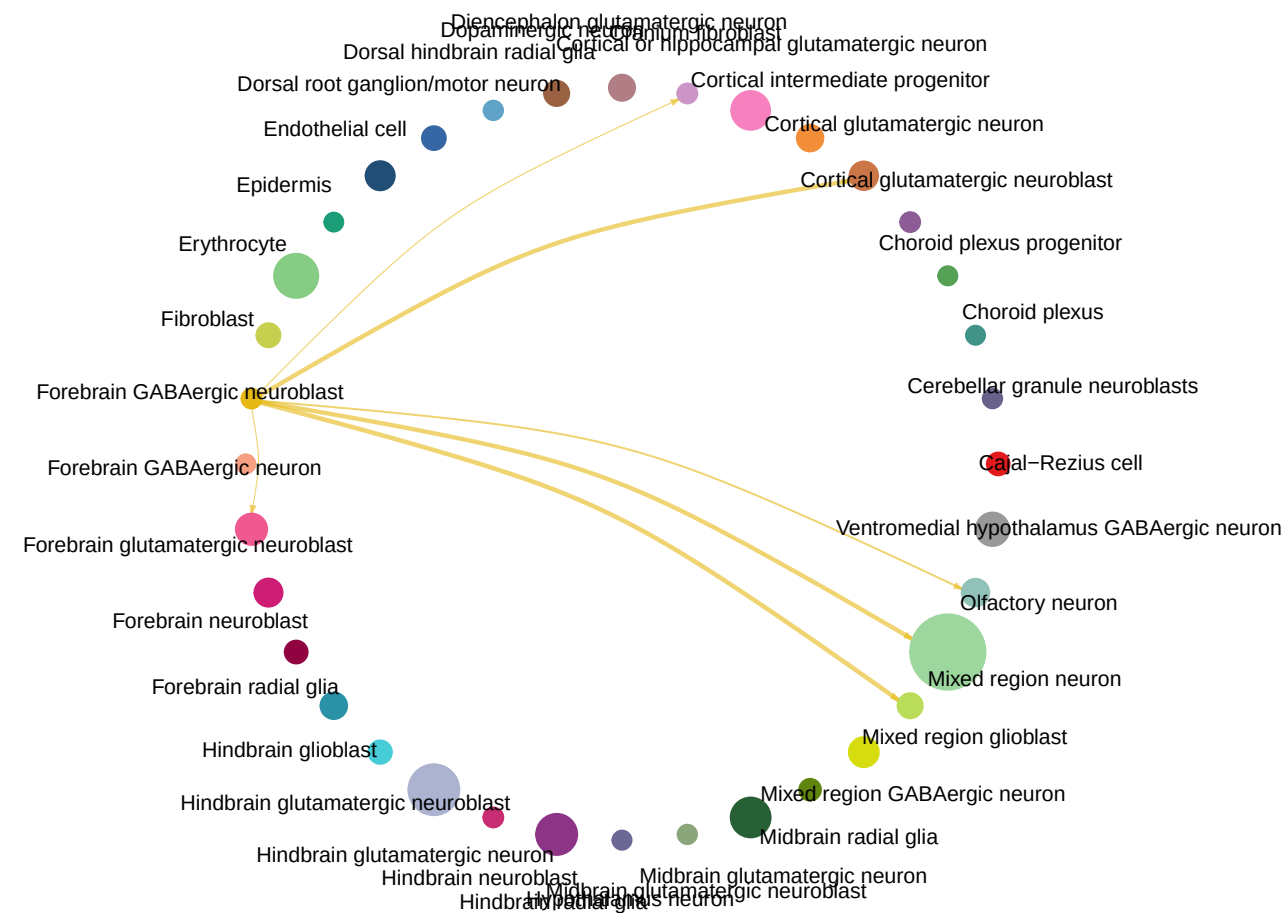

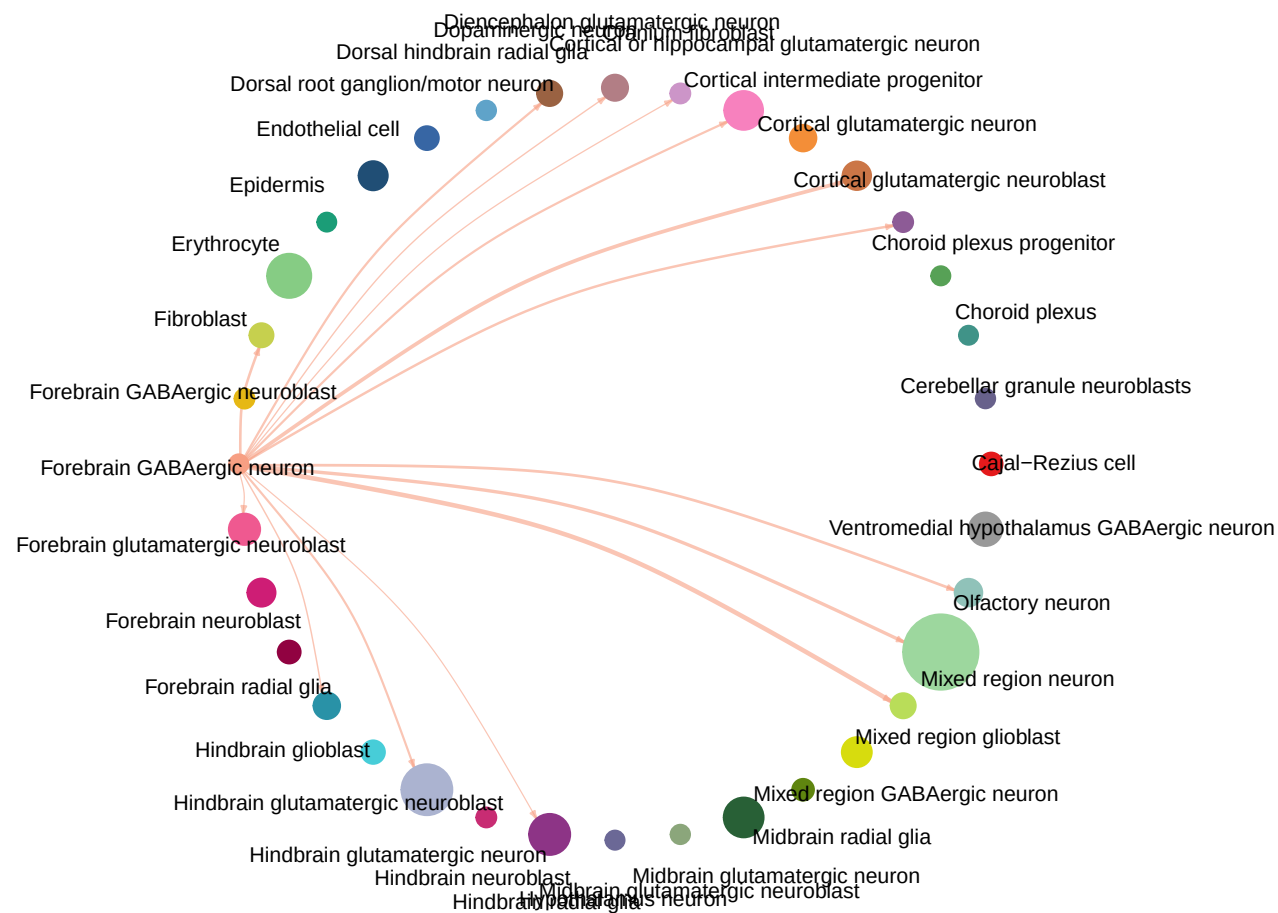

Fibroblast

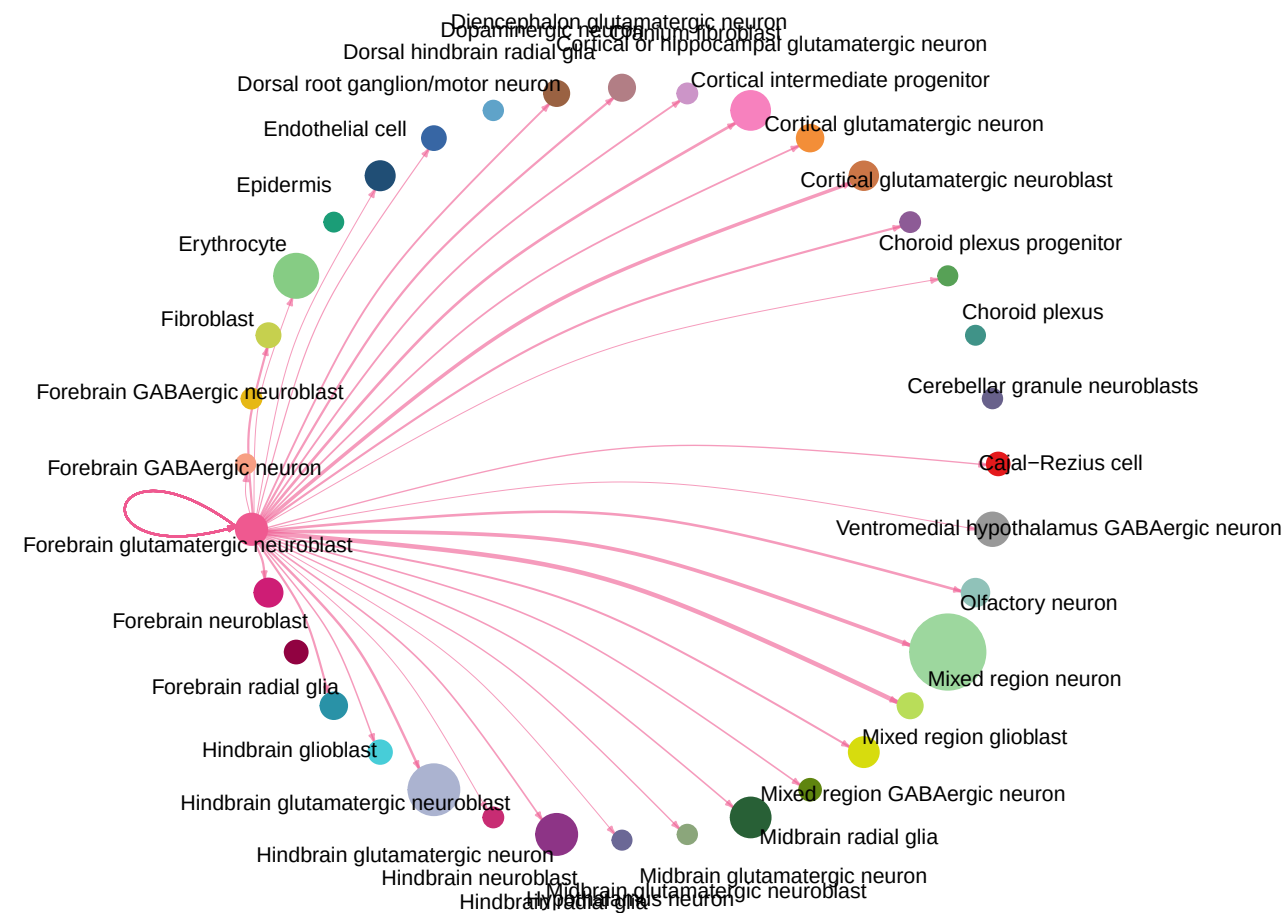

Forebrain GABAergic neuroblast

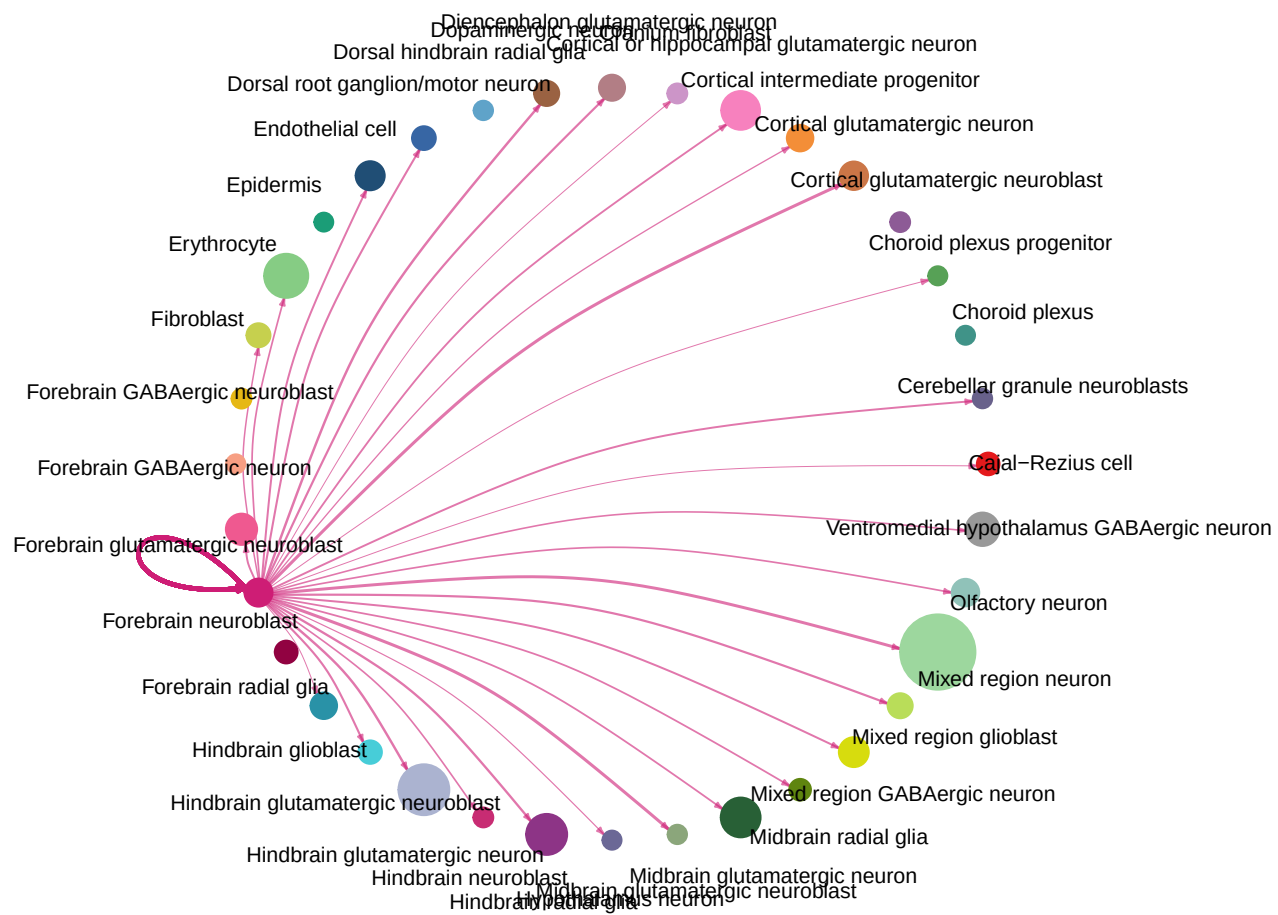

Forebrain GABAergic neuron

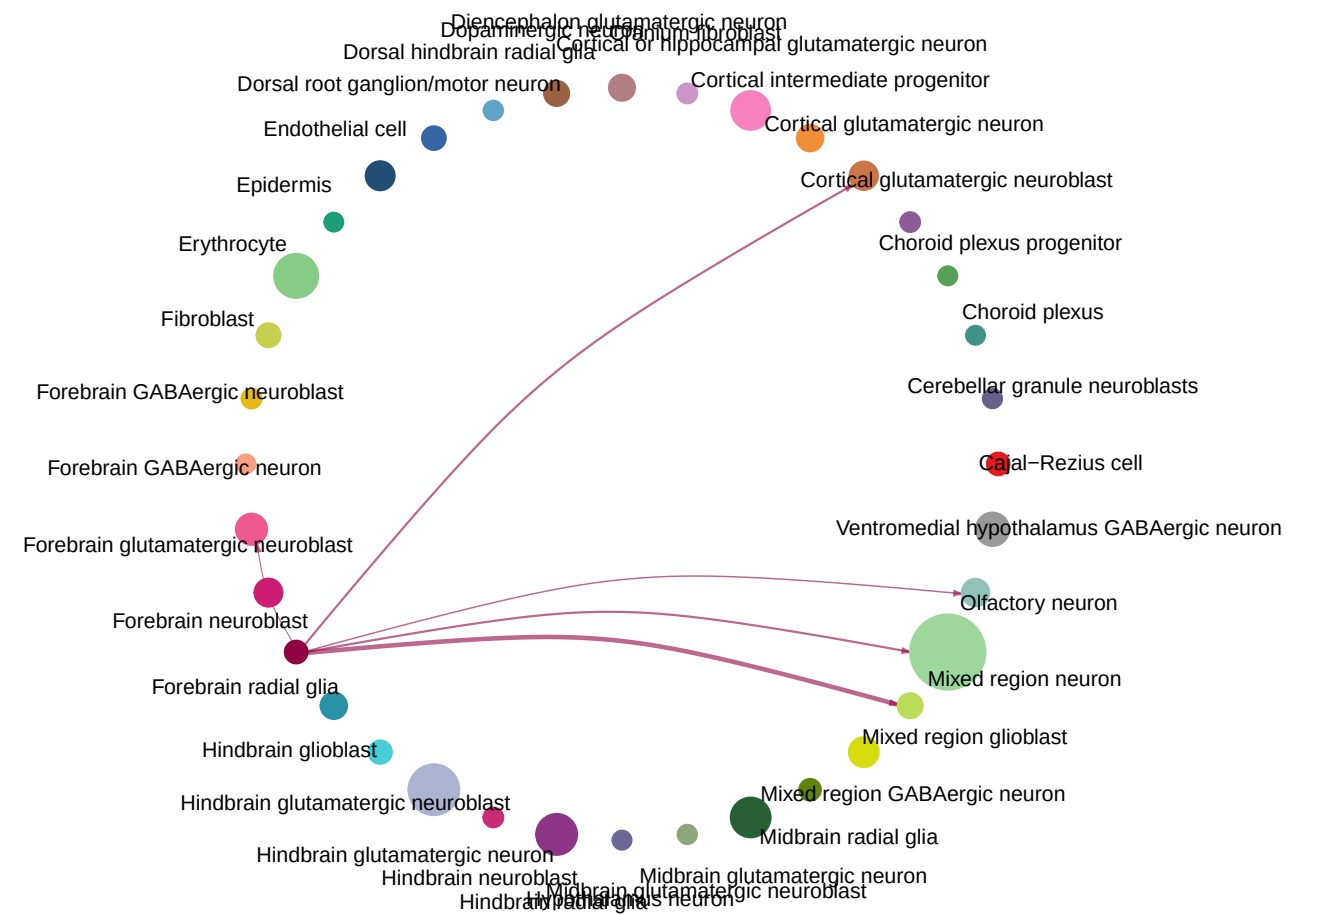

Forebrain glutamatergic neuroblast

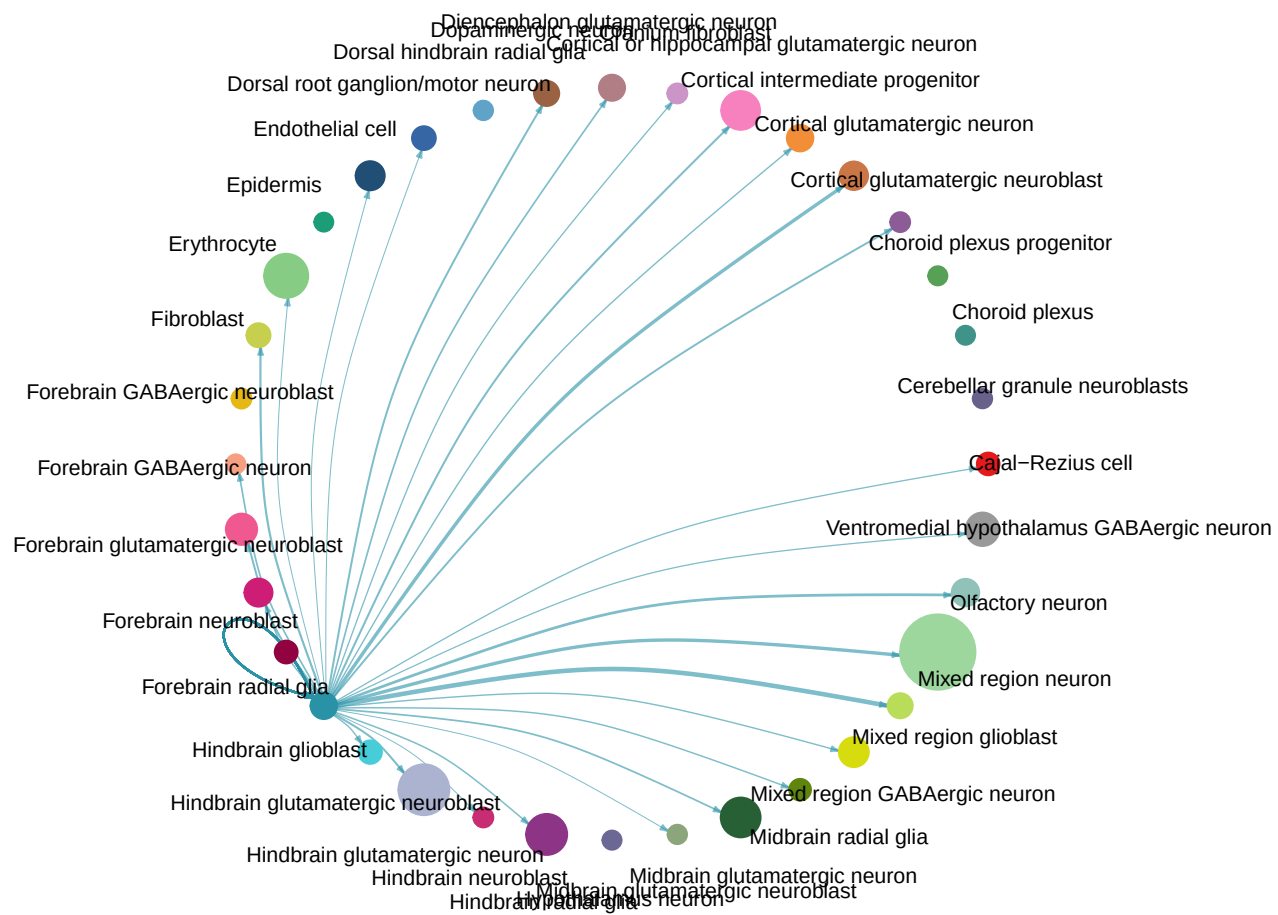

Forebrain neuroblast

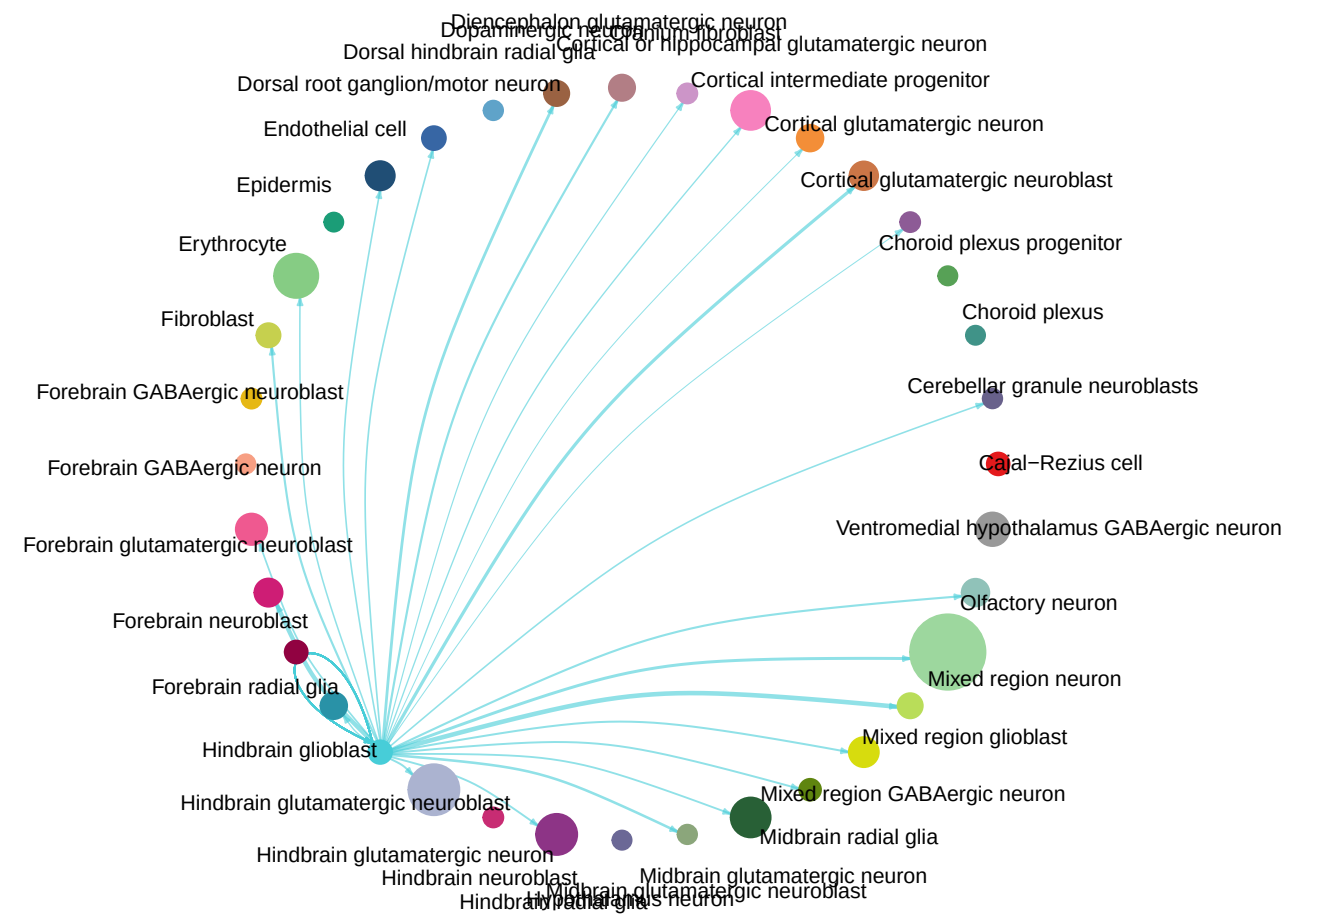

Forebrain radial glia

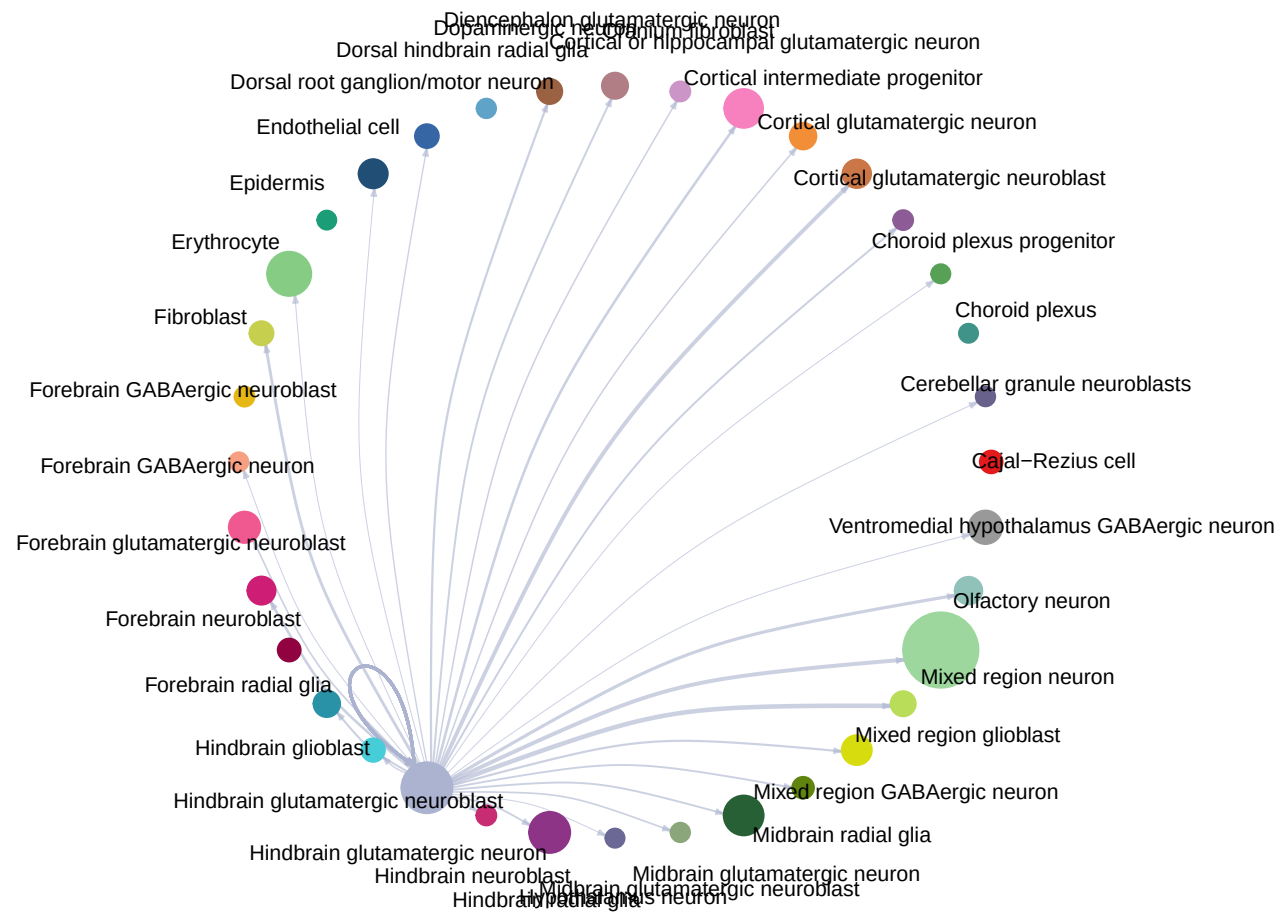

Hindbrain glioblast

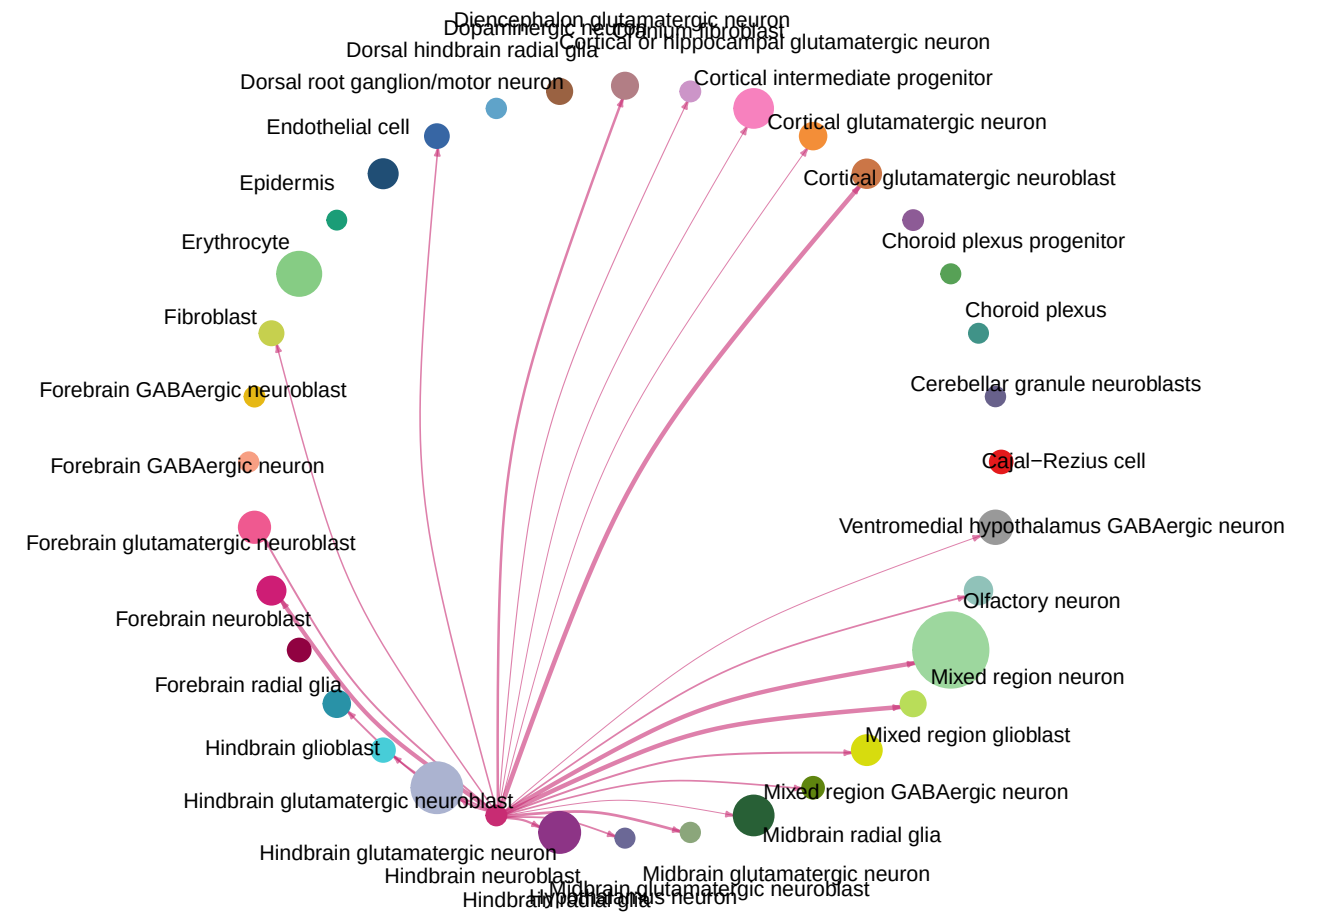

Hindbrain glutamatergic neuroblast

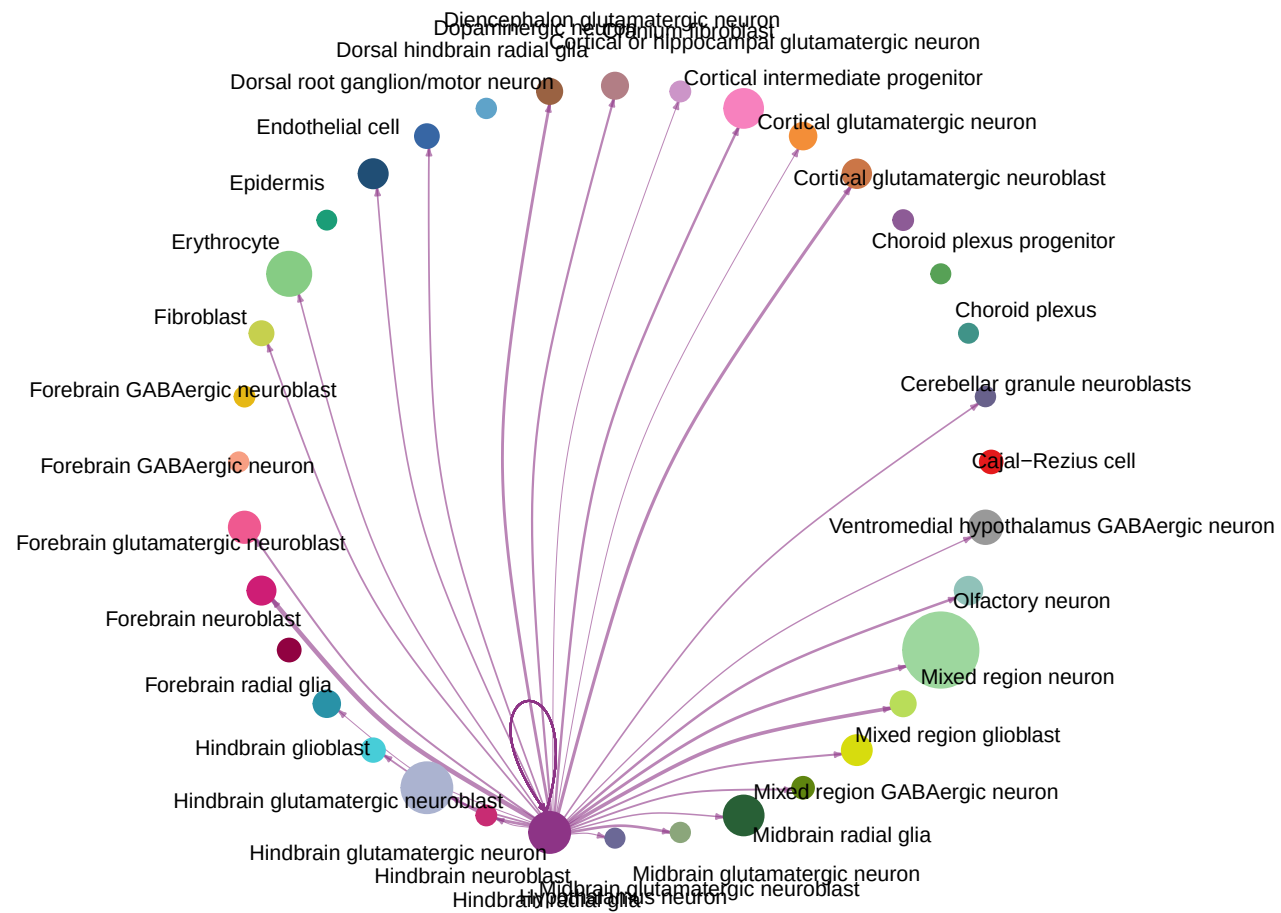

Hindbrain glutamatergic neuron

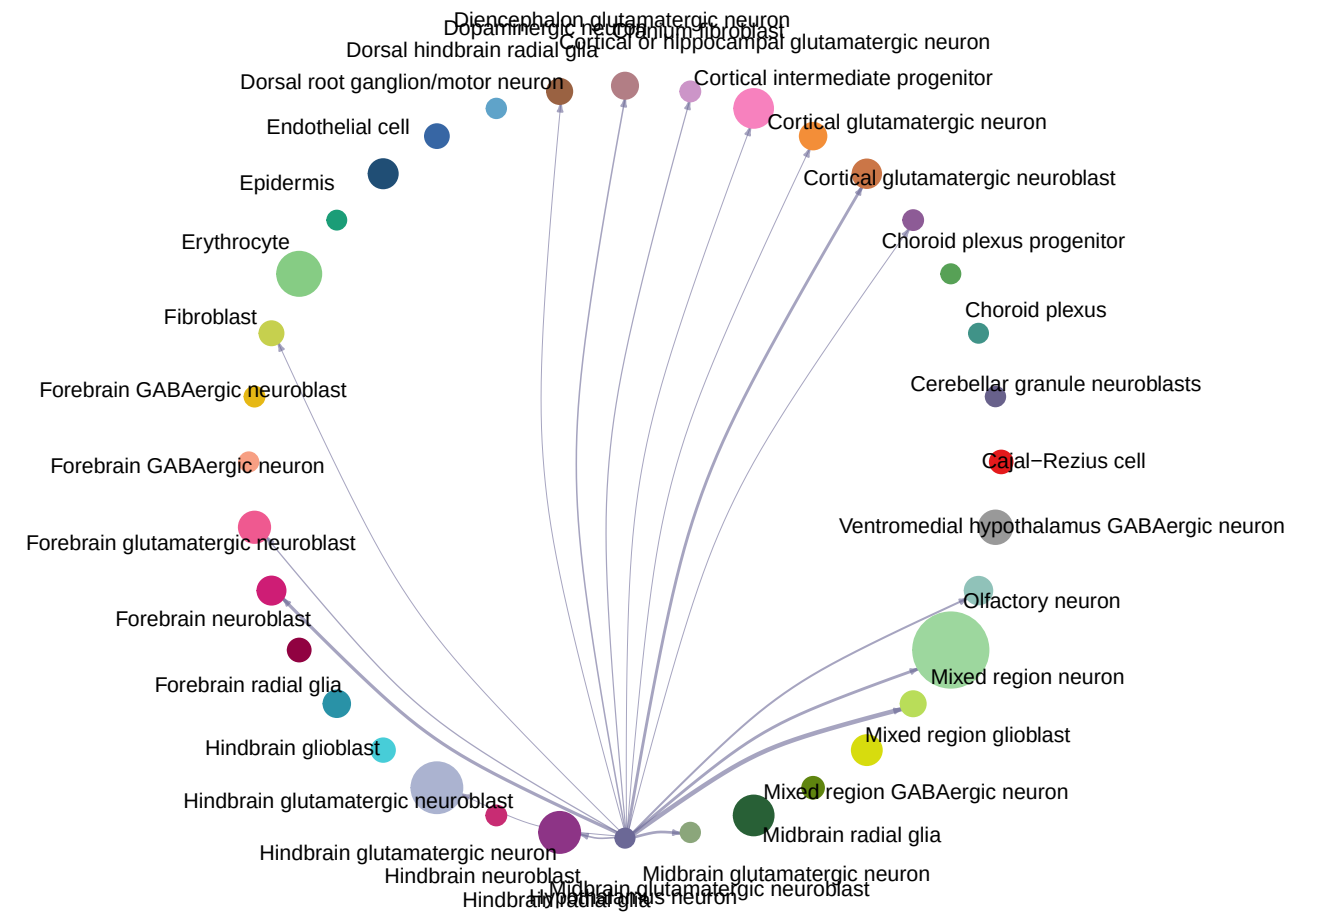

Hindbrain neuroblast

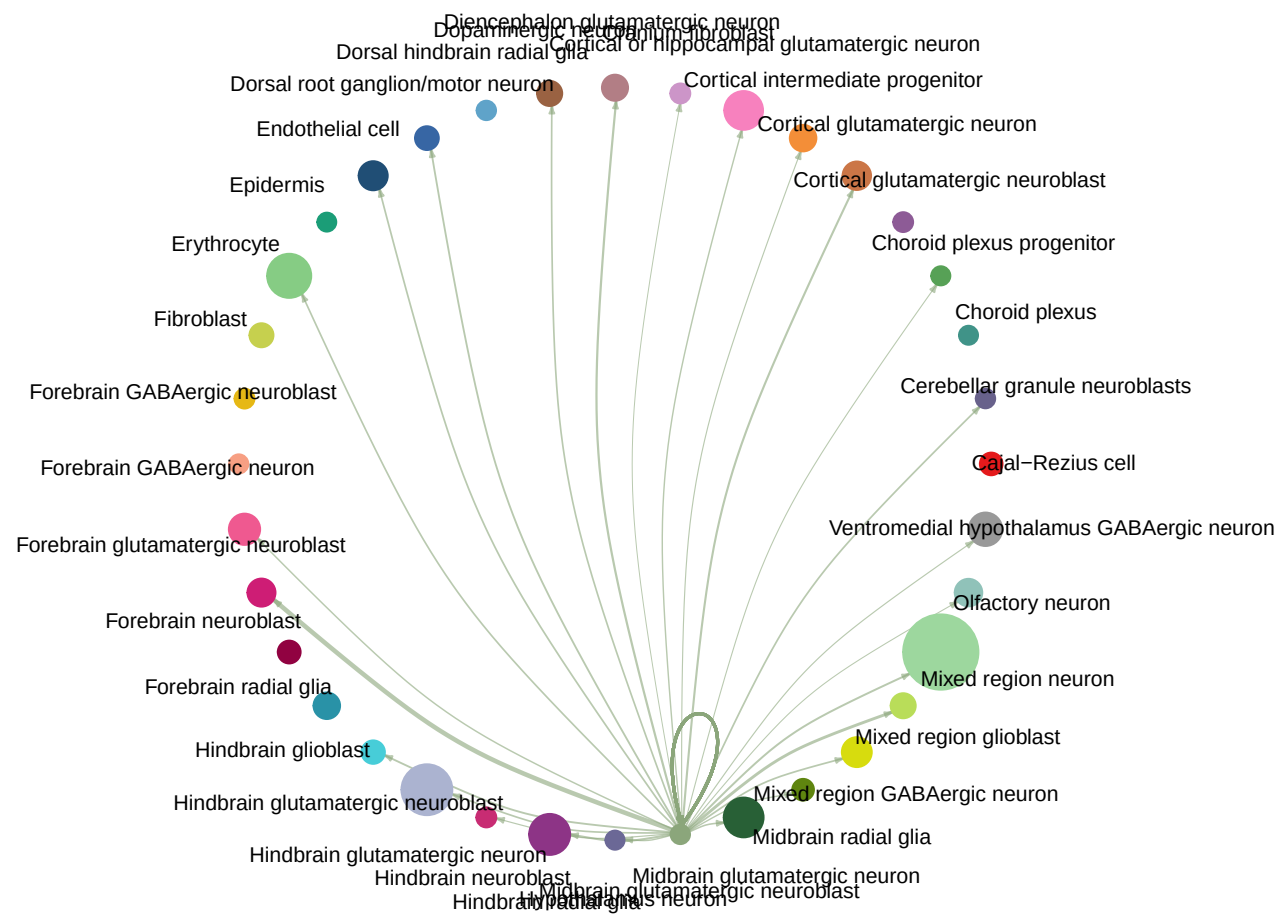

Hindbrain radial glia

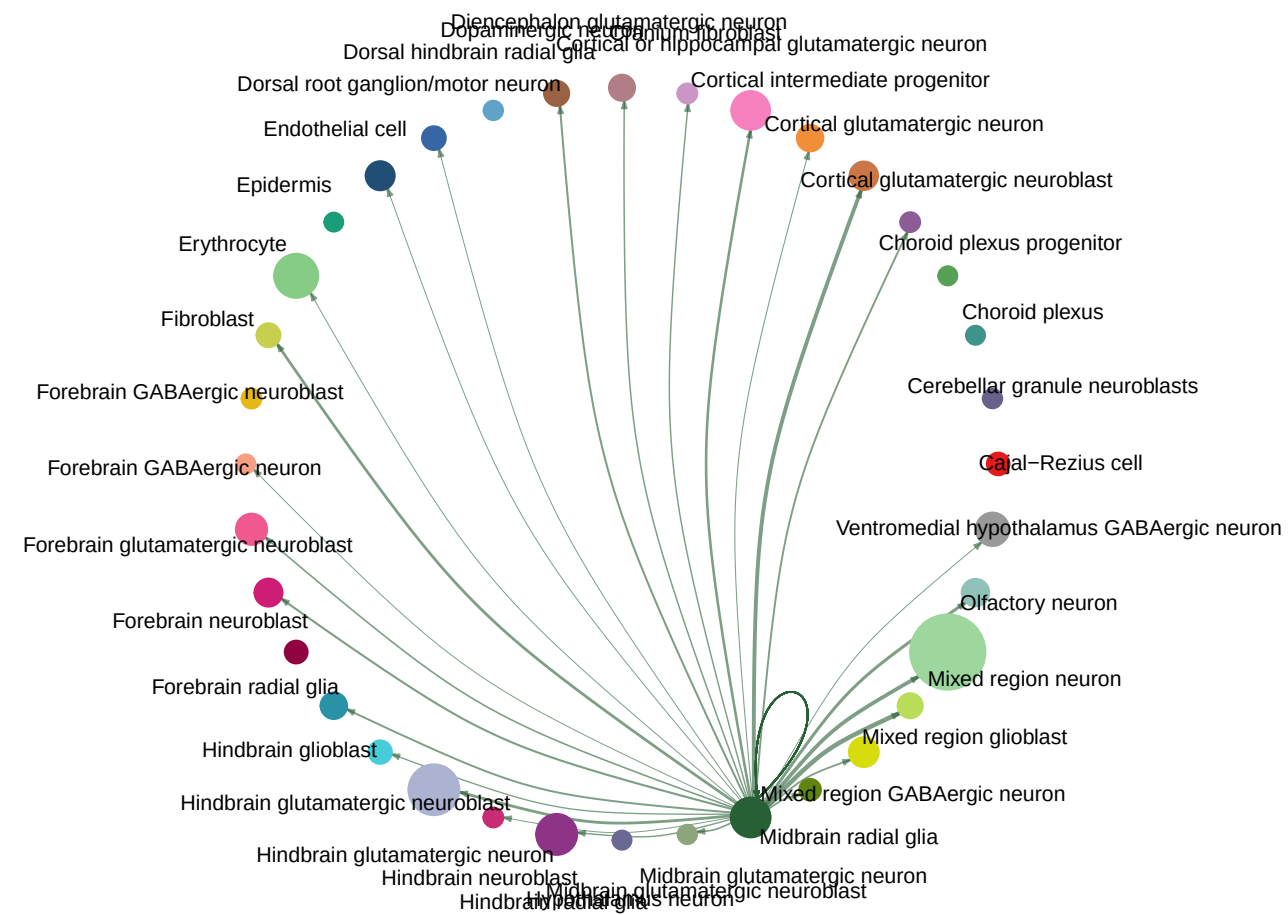

Hypothalamus neuron

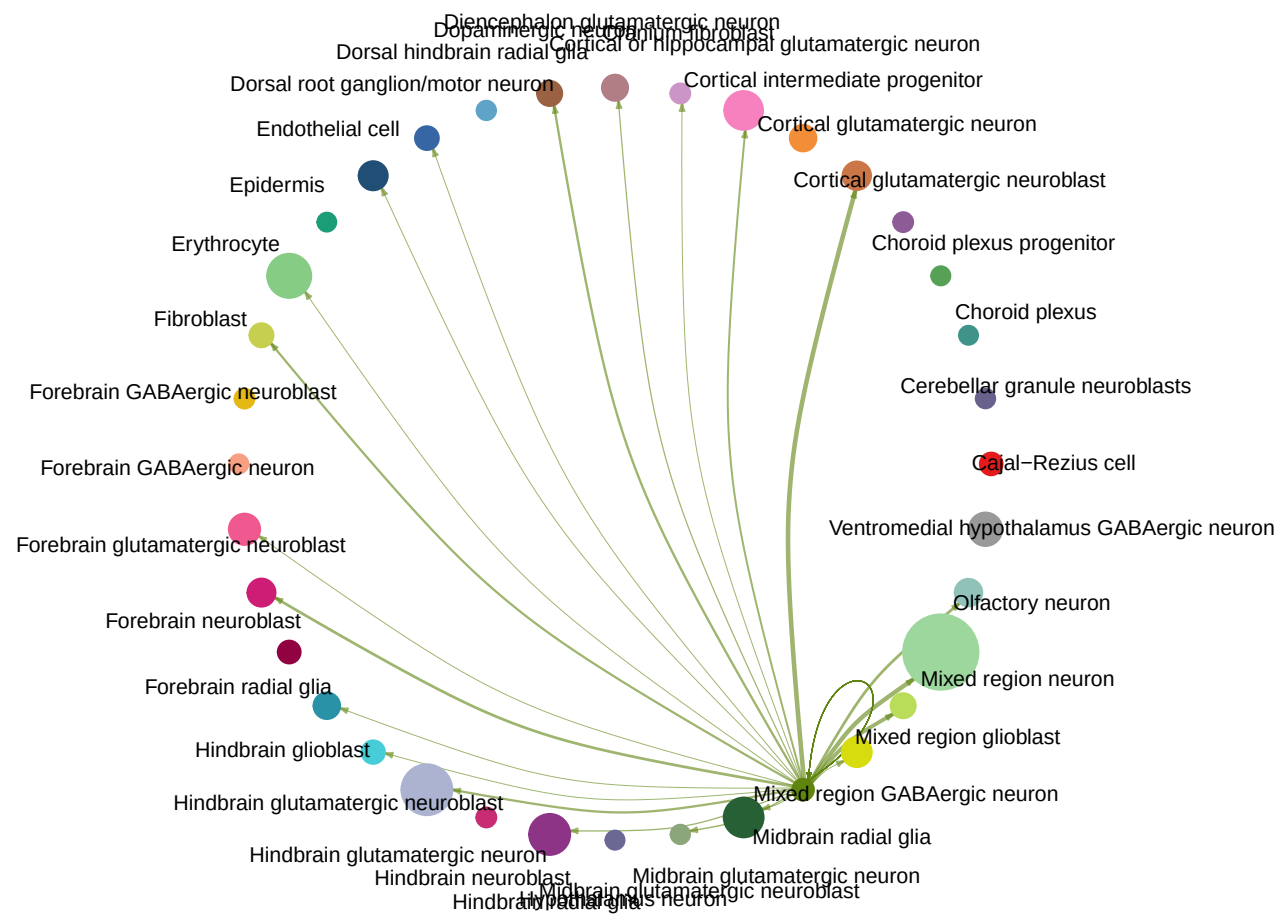

Midbrain glutamatergic neuroblast

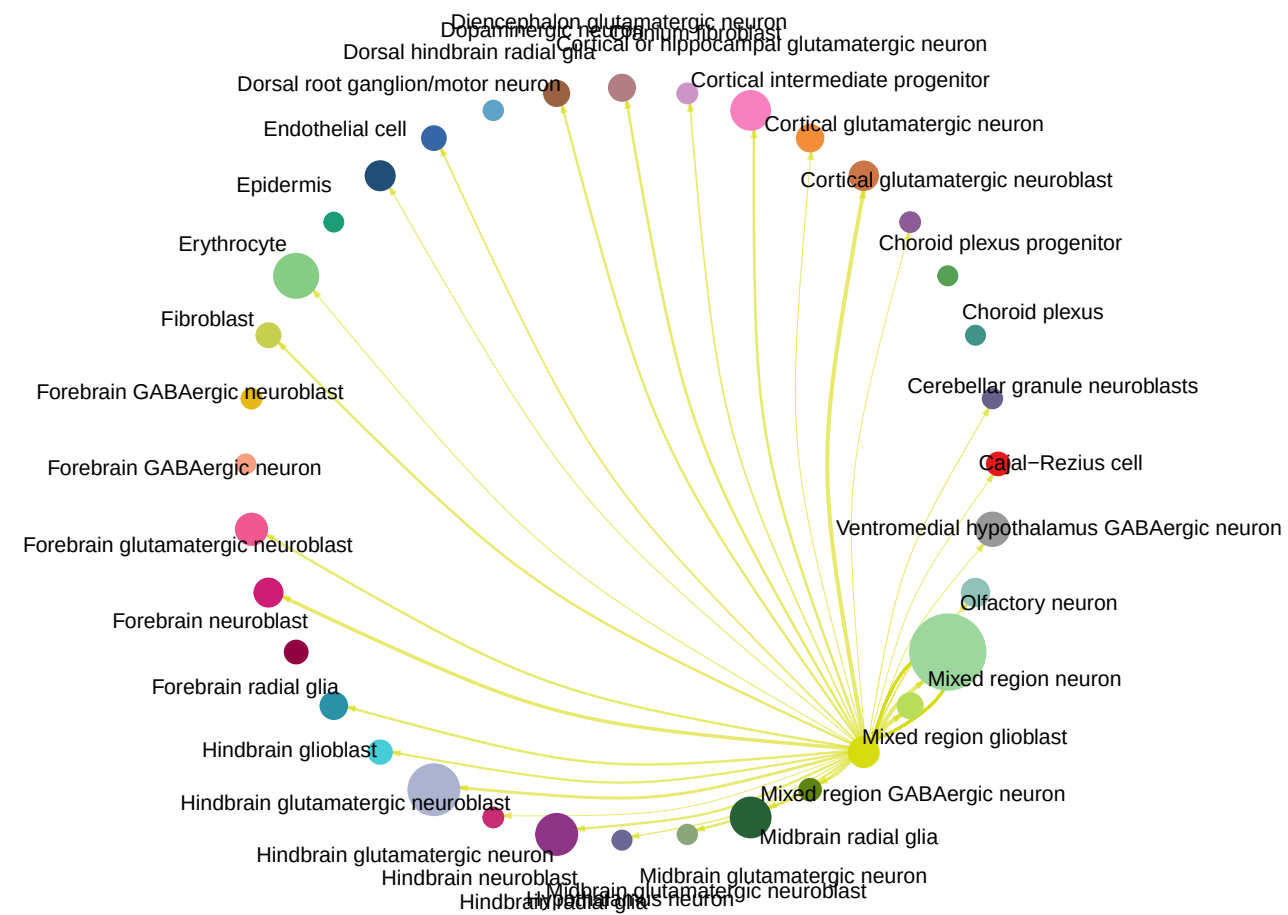

Midbrain glutamatergic neuron

Midbrain radial glia

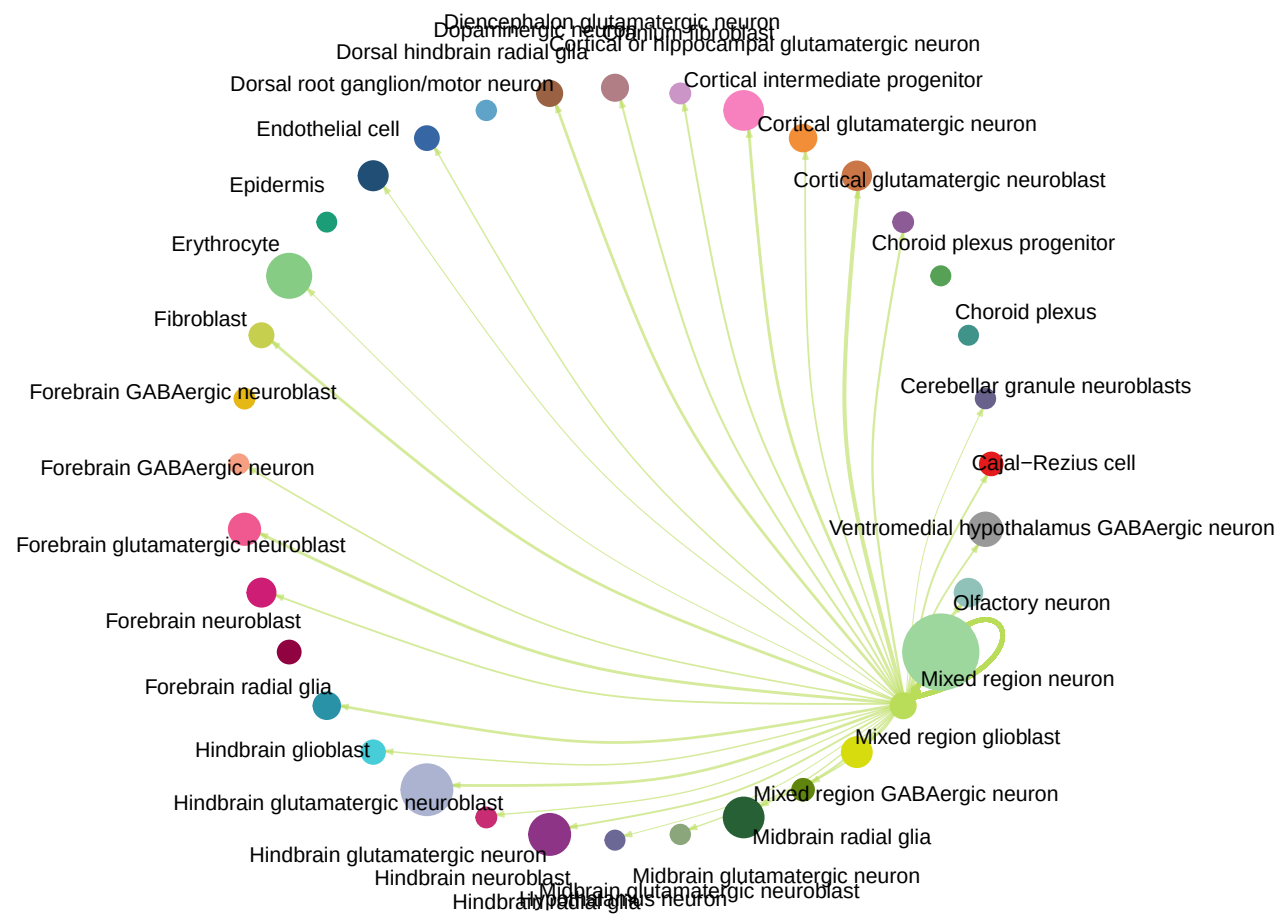

Mixed region GABAergic neuron

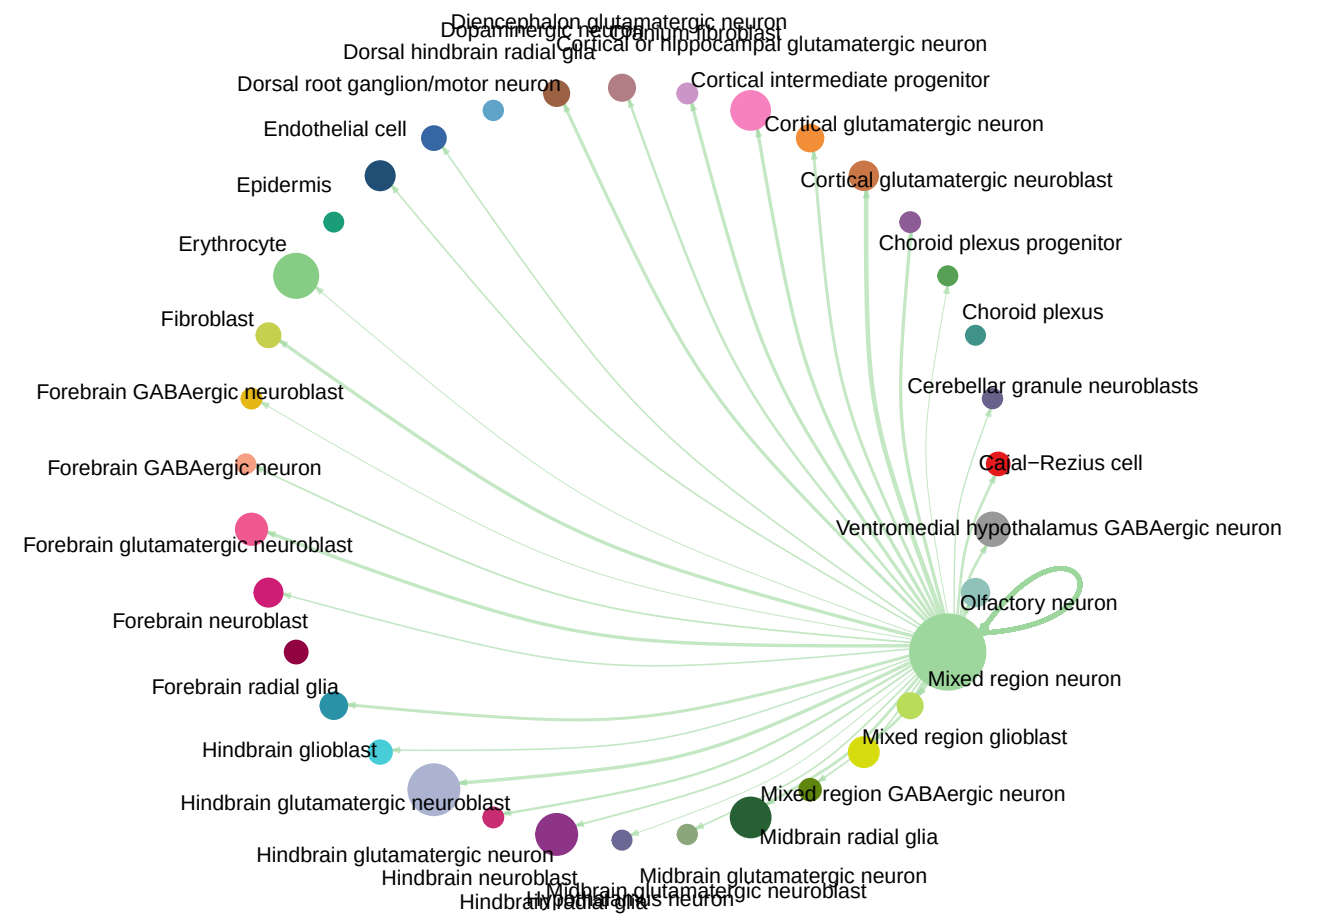

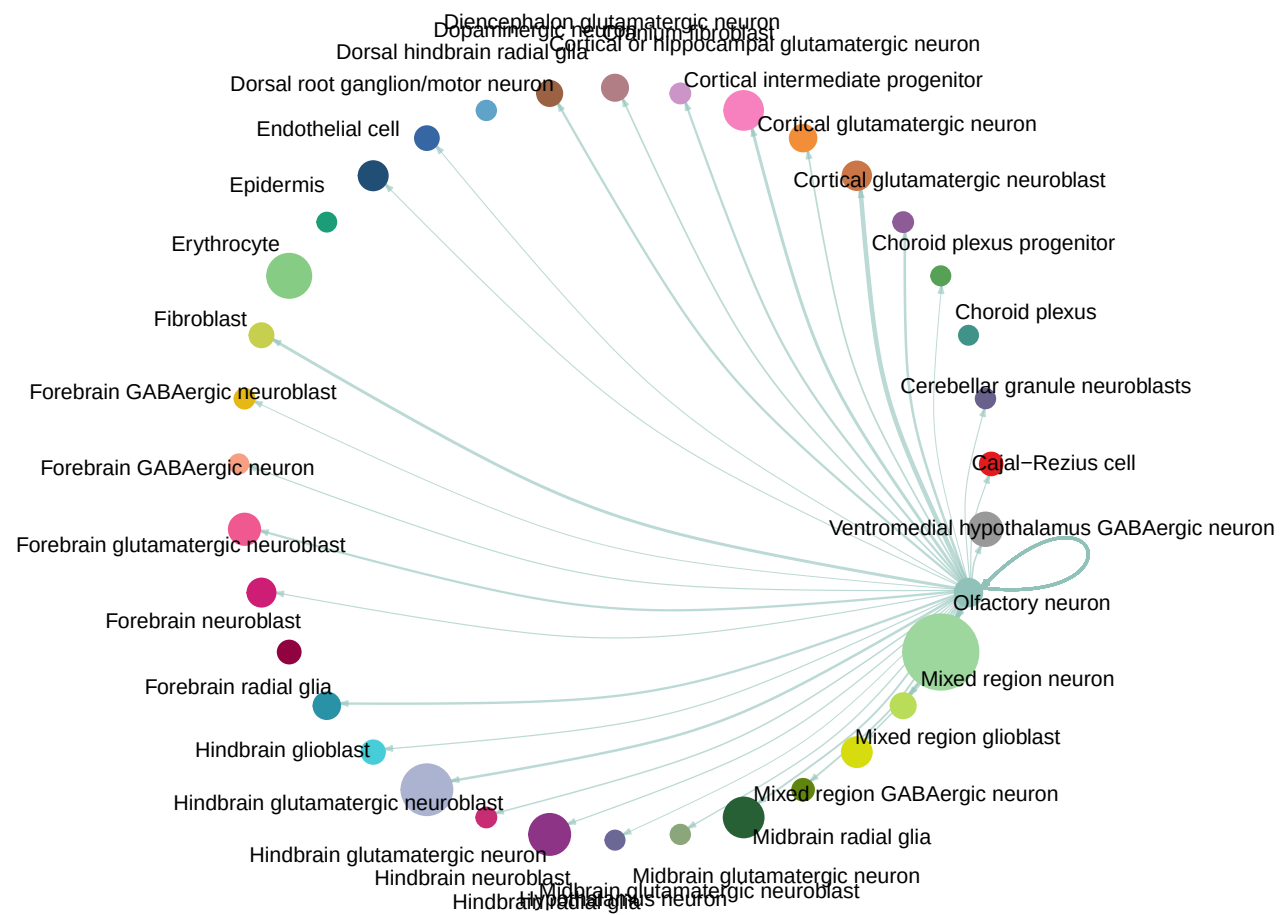

Mixed region glioblast

Mixed region neuron

Olfactory neuron

Ventromedial hypothalamus GABAergic neuron
